Dignity and Prestige: The History and Archaeology of the Borada of Southern Ethiopia

For the last 15 years, Drs. John and Kathy Arthur have worked in the southern Ethiopian highlands investigating Borada culture and history. The Arthurs combine oral tradition, ethno-archaeology, and archaeological research methods in their reconstruction of the Borada past.

In this presentation, the Arthurs will demonstrate the importance of integrating indigenous people's worldviews concerning their interpretation of their history and material culture with anthropological method and theory.

Speakers: Drs. John and Kathy Arthur
