ST. PETE STUDENT GOVT'

USF, St. Pete Campus recently held its first student government general election of the 77/78 academic year. The polls were set up in the North Lounge of B Bldg. and were opened from 8:30 a.m. until 5:30 p.m. both Wed., Nov. 30 and Thurs. Dec. 1, 1977. Students cast their ballots for St. Petersburg Student Government Chairperson, Treasurer, and the Representatives for their respective colleges. The Elections Sub-Committee reported that 10% of the student body voted in electing the twelve students who will be serving them on SPSG for the next two quarters.

Stuart Wilmarth won the Chairperson position with a more than 2 to 1 margin over former Chairperson, Bob Sullivan. Tom Tito won a nearly unanimous election to Treasurer. The College of Business elected three representatives: James Dillashaw, Don Williams and Luellen Hubbard (who received 37 write-in votes). The two persons elected from the College of Education are David Wood and R.D. Peterson. Melissa Rochkind was elected unanimously by the College of Natural Sciences. The College of Social and Behavioral Sciences had the toughest battle with Elaine Sarrasin and Tim Landt both narrowly defeating Frank Bragano for the two representative positions. Danny Allison (College of Arts & Letters Representative) and Russ Adlon (Member at Large position) each received a winning number of write-in ballots. However, their eligibility must be verified before they can be seated in Student Government. The elections sub-committee does not foresee any problems with their eligibility at this time. The new SPSG took office Dec. 14, 1977 and will serve the students of St. Pete through the end of Quarter III, 1978.
