News for Faculty and Staff at USF St. Petersburg

Dean's Corner
by Bill Heller

ThunderDome offers fund-raising opportunities

I recently was asked whether a particular department at the campus could earn money by working the concessions stand at hockey games held at the ThunderDome.

After all, many student groups on campus work the concessions stand to raise money for their organizations. In fact, the groups have earned more than \$20,000 since they started in 1992!

That's a great incentive.

The answer is yes, departmental staff and faculty can work ThunderDome events.

In fact, I and the Dean's Office will be working the nights of March 13 and April 11, during Tampa Bay Lightning games. The Library staff has chosen a night, too.

If you would like to volunteer, or need more information, call Lisa Wharton at 9561. Thanks very much.

Another important event is the award-winning documentary *Defending Our Lives*, which will be shown March 21. The film is followed by a panel discussion led by the Women in Prison Project. Panelists include women who have received clemency in Florida.

● **Parking pinch**

Due to construction of the new library, parking is tight in the Davis Hall lot. But don't despair. The new lot adjacent to the Piano Man Building usually has spaces available, as does the west lot near the CAC. Enjoy the exercise and the beautiful spring weather!

● **What a fund drive!**

Sudsy Tschiderer and Ambe Njoh chaired the recent United Way drive and raised more than \$6,000.

Almost 90 cents of every dollar donated to the United Way is directed to community agencies. Thanks to all USF St. Petersburg folks who contributed!
