Description of Change (Attach supporting documents if necessary):

The program, which was suspended in 2009, has been replaced by a more comprehensive degree program, the BS in Education (13.1206). The College of Education at USF St. Petersburg wishes to terminate the BS/BA in Elementary Teacher Education, BEE, CIP CODE 13.1202. This termination will affect the USFSP COE degree programs only.

Impact on College and University Resources:

There is no impact on resources because the BS/BA in Elementary Teacher Education, BEE, CIP CODE 13.1202, has not been active since Spring 2010. There are no students in the program.

Attachment for Termination of BS/BA in Elementary Teacher Education BEE (CIP 13.1202)

Reason for Terminating the Program:
The program duplicated other offerings at the University once the BS in Education BXE CIP 131206 was approved by the Board of Governors.

The College of Education’s Good Faith Efforts to Assist Affected Students, Faculty, Administrative, and Support staff.
No Students are affected by the termination of the degree because the program was suspended in Summer 2009. All students have graduated or transferred to the new program. Because the BEE program was replaced with the merged BXE program, no current representatives of females and ethnic minorities within the faculty and students were negatively impacted.

Proposal Attached Which Includes:
Justification for Program Termination:
The program was offered at USF St. Petersburg until it was suspended in Summer 2009. It was suspended because of the approval of the BS in Education, BXE, CIP 13.1206, which is program that merged the Florida Teacher Education Competencies for Special Education General with those of the Elementary Teacher Education.

A Plan to accommodate any students or faculty who are currently active in the program scheduled to be terminated.
N/A because the program was suspended in Summer 2009.

A process for evaluation and mitigation of any potential negative impact the proposed termination may have on the current representation of females and ethnic minorities within the faculty and Students.
N/A because the program was suspended in Summer 2009.

What is Being Terminated:
The USF ST. Petersburg COE BS/BA in Elementary Teacher Education BEE (CIP 13.1202) only. The USF Tampa COE BS/BA in Elementary Teacher Education is not being suspended by this request.

Catalog Copy:
The USFSP Catalog has already been modified to reflect the suspension of the program. It will not need further modification for its termination.
1. **Provide a narrative rationale for the request to terminate the program.**

   The program, which was suspended in 2009, has been replaced by a more comprehensive degree program, the BS in Education (13.1206).

2. **Indicate on which campus(es) the program is being offered and the extent to which the proposed termination has had or will have an impact on enrollment, enrollment planning, and/or the reallocation of resources.**

   The program was offered at USF St Petersburg until it was suspended in Summer 2009. There has been no impact on enrollments because all enrollments have been directed into the new degree program.
3. Provide an explanation of the manner in which the University intends to accommodate any students or faculty who are currently active in the program scheduled to be terminated. State what steps have been taken to inform students and faculty of the intent to terminate the program?

No accommodations are required because the program was suspended in 2009 and has been replaced by a more comprehensive degree program, the BS in Education (13.1206). Faculty and students were transitioned into the new more comprehensive degree program, the BS in Education.

4. Provide data (and cite source) on the gender and racial distribution of students and faculty. For faculty also list the rank and tenure status of all affected individuals.

NA

5. Identify any potential negative impact of the proposed action on the current representation of females, minorities, faculty, and students.
