MEMORANDUM

DATE: November 6, 2012

TO: Deanna Bullard
   Academic Services Administrator

FROM: Bill Hogarth
      Interim Regional Chancellor

SUBJECT: Employee of the Month for November

Congratulations! You are a recipient of the USF St. Petersburg Employee of the Month award for November 2012.

This award is given to employees who go above and beyond typical job expectations, provide outstanding customer service, or perform distinctive achievements that impact the department/campus. You were selected for this recognition because you spearheaded a monumental organizational project while continuing your normal job duties. Specifically, you led the team that implemented an electronic filing system for all of Academic Advising’s official student records. Student records went back many years and filled many filing cabinets, so the project took several months. The end result of this new system will allow records to be accessed from any computer on campus with authorization and provide the most up-to-date information. Your efforts in this implementation is deserving of this recognition!

As the Employee of the Month recipient, you will be awarded $50 and a monthly parking pass in a designated area. This $50 will be included with your regular pay at the next payroll cycle and added to your taxable wages.

I applaud your commitment and dedication to our institution. Again, congratulations!
