PROGRAM NAME: English Teacher Education

DEGREE LEVEL(S): BS (Ph.D., Ed.D., etc)

CIP CODE: 131305 (Classification of Instructional Programs)

ANTICIPATED TERMINATION DATE: Spring 2007
(Last date that students will be accepted into program)

ANTICIPATED PHASE-OUT DATE: Spring 2010
(Last date that data will be submitted for this program)

1. Provide a narrative rationale for the request to terminate the program.

   Enrollments were insufficient to justify continuing the program, which was suspended in Spring 2007.

2. Indicate on which campus(es) the program is being offered and the extent to which the proposed termination has had or will have an impact on enrollment, enrollment planning, and/or the reallocation of resources.

   The program was offered at USF St Petersburg until it was suspended in Spring 2007. There has been no impact on enrollments because this was a very low enrolled program.
3. Provide an explanation of the manner in which the University intends to accommodate any students or faculty who are currently active in the program scheduled to be terminated. State what steps have been taken to inform students and faculty of the intent to terminate the program?

No accommodations are required because the program was suspended in 2007 and has been replaced by a more comprehensive degree program, the BS in Education (13.1206). Faculty and students were transitioned into the new more comprehensive degree program, the BS in Education.
