Film Series Highlights

The Best of the West Meets the Ultimate Drugstore Cowboy.

Well, not quite, but they will pass in the dark. On consecutive Fridays, the Activities Office will feature Red River, starring John Wayne and Montgomery Clift, and Urban Cowboy, with John Travolta and Debra Winger.

The films are scheduled as part of the weekly Friday Evening Film Series.

After World War II, the singing cowboy and the two-reeler gave way to the feature Western. One of the first, and considered by many to be the classic example, was Red River, said to be Howard Hawks' finest film.

Wayne plays the loner with a grand ambition who encounters just what he doesn't need—an orphaned boy stranded on the plains with the family milk cow. Finally, a partnership is struck between the feisty youngster and the cowboy and Wayne swears to turn the one cow into the largest herd in the country. Montgomery Clift portrays the boy as the man and takes on the Duke in a memorable fistfight. The film is in black-and-white; you'll remember it in color.

Where does the drugstore cowboy go when his taste turns from cola to longneck beer? Mickey Gilley's, the saloon with its own back forty, is the answer to his prayer. In the land of the Two-Step, manhood is measured on Gilley's mechanical bull. Debra Winger threatens Travolta's manhood by riding the high-tech beast and the war of Macho vs. Love begins as our cowboy attempts, at all costs, to be "The Greatest."

Urban Cowboy is a rowdy but sensitive film that removes Travolta from the "Sweathog" mold and shows us the capabilities of a fine young actor.

Urban Cowboy plays September 14. It is rated PG, is in color and lasts 135 minutes. It features an excellent soundtrack.

Red River will be shown on Sept. 21. It was made in 1948 and lasts 133 minutes.

Both films are FREE to area college students, faculty, staff, their families and guests. Both begin at 7:30 PM in the MSL-Auditorium. by Vic Johnson

Financial Aid Office Info

If your financial aid check did not arrive during the first week of classes, please check the board outside the Financial Aid Office (BAY-117) to determine if and when you might be able to seek a late payment fee waiver.

Keep an eye on the date that enrollment can be cancelled for non-payment of fees. If your paperwork was submitted late to the Financial Aid Office, and it does not get processed by September 21, you may be subject to cancellation. Come in to the Financial Aid Office prior to that date if you think you may have a problem.

It is still possible to make application for the Pell Grant for the current school year. Forms are available in BAY 117. Also, students wishing to be considered for a Guaranteed Student Loan beginning in January need to get the procedure underway in September, since the process takes about three months to complete.

Watch for announcements concerning aid applications for the 1985-86 school year. These applications will include scholarships and three other aid programs that are campus based, the Florida Student Assistance Grant, the Pell Grant, and the Guaranteed Student Loan. January is the month to apply!

Career Placement Office Info

The St. Pete Campus Career Development and Placement Office provides many resources from which you can make employment contacts.

Two semesters prior to graduation, pick up, complete and return the USF Placement Registration packet. Every Tuesday a new listing of on-campus interviews will be in BAY-112. Sign-ups are on a first come, first served basis.

Check the two bulletin boards in BAY-112 for current employment openings in Pinellas County. For State and National job listings, ask the staff.

Company literature is also available in our placement library for researching organizations. Ask the staff for a copy of the "Career Development Resource Guide" which lists all materials in BAY-114.

As a graduating student, you will receive a free copy of the College Placement Annual, USF Placement Manual, and the Career Opportunity Index when registering with our office.
