Volunteer's Needed

Tracy L. Hassel, a Master's Degree candidate in the USF St. Pete, Department of Criminology, is currently conducting research into the area of domestic aggression and violence. She is currently seeking participants to complete a short questionnaire.

Two separate groups of participants are being sought. The first group is to be composed entirely of men who served with the United States Armed Forces (any branch of service) during the period April 8, 1964 through May 7, 1975, and WHO NEVER SERVED IN THE MILITARY.

If you, or someone you know, meet the criteria specified and would like to participate, you may pick up a questionnaire from the Student Activities Office (COQ-102) or from Joy Foley in the Academic Advising Office (BAY-238).

Questionnaires may also be obtained by mailing a postcard to your mailing address to: Survey-COQ-102, USF Bayboro Campus, 140 7th Avenue South, St. Petersburg, FL 33701. Consent forms are required, but are to maintain participant anonymity. Completing a Master's Thesis is a major undertaking, and the collection of data is one of the most difficult and time consuming aspects. Show your academic spirit by helping a fellow student!

LIBRARY RECEIVES $25,000 DONATION

Joseph Raymond Gerberich, a University of Connecticut Professor Emeritus in Educational Testing and Measurement, has contributed $25,000 from his retirement pension to USF St. Petersburg's Poynter Library for the purchase of books as a memorial tribute to his wife, Augusta H. Gerberich.

Dr. Gerberich, who has authored and co-authored seven books and 60 articles on his academic specialty, has specified that his gift acquire books on international relations, an area that his wife specialized in throughout much of her life.

She also attended several of the organizational meetings of the United Nations at Lake Success, N.Y., in the early 1950's. She presented speeches promoting the United Nations to many groups in Connecticut and received a Distinguished Merit Award and a proclamation signed by Dwight D. Eisenhower honoring her service as chairman of Mansfield, Connecticut's National Observation of United Nations Day in 1957.

A League of Women Voters member for more than 50 years, Mrs. Gerberich shared her husband's love for teaching. She served as an American history instructor at Bayonne High School in New Jersey for many years. During World War II, she traveled extensively in Europe, South America, Canada, and the United States prior to her marriage. In the mid-1930's, she participated in foreign conferences on international relations in Austria, Switzerland, and Mexico.

New copiers are now in the library, and along with them, new services, new procedures, and, hopefully, no more complaints. You can now make multiple copies, and there is no need for change. A magnetically coded card can be purchased from a vending machine (located in the library) in $1, $5, or $10 amounts. The card is inserted into the copier and it electronically deducts 6 cents for each copy. By inserting more money into the copier (bills accepted!), you can add a particular amount to the card for future use. The initial cost of the card is 25 cents, but will last 5 - 7 years, and can also be used on the Tampa Campus.

Danka Industries, which will service the copiers, says that the Royal copiers are the most reliable available, and that the daily hours of down-time is guaranteed by contract.

SWIMMING POOL UPDATE

Melissa Fox, Pool Manager

The newly refurbished USF St. Pete swimming pool has successfully completed its first year of operation since its re-opening on Sept. 13, 1985. Special events held during this year included two sometimes water volleyball tournaments - hosted by the interpid Water Buffalo and won by The Killer Whales (August) and The Mullet (October), evening pool parties, and a Back-to-School Bash. The staff also experimented with evening hours during the summer.

The pool closed Dec. 12 for the winter and will re-open in mid-March, for Spring Break. The first water volleyball tournament of this year, a six-week event, will begin March 20. We hope that you will plan to spend a part of your spring break watching our students (and faculty) developing your own swimming and water volleyball skills, or re-opening a pool textbook titled "Hours of operation are 11:00 am - 6:00 pm ... Monday - Saturday."

In the meantime, please feel free to stop by the Activities Office (COC-102) and share your suggestions and comments.

FRIDAY EVENING FILM SERIES

The Activities Office of the University of South Florida at St. Petersburg begins its Friday Evening Film Series for Spring Semester II on January 23, 1987. All films will be shown in the Conference Auditorium, Bayboro Hall (BAY-130). Please note that this is a CHANGE OF LOCATION. Presentations will begin promptly at 7:30 pm unless otherwise indicated below.

The Series is FREE to all college students, faculty, staff, and their families and guests. Please present your University ID.

The Series will have a new look this semester as we experiment with some change in programming. Consequently, some movies will use traditional 16 mm projection and some will feature video-cassettes shown on a big screen (with projection equipment not yet available on campus). Let us know what you think of this innovation.

If there are any films you would like to see offered in a future film series, please notify the Activities Office (893-9596) or give your suggestions to the Film Series attendant on Friday night.

Also offered are White Nights (Jan. 23), The Dresser (Jan. 30), and A Soldier’s Story (Feb. 6). Mark these days on your calendar.

NEWS FROM STUDENT GOVERNMENT

by Mark Lighty, SG President

Student Government (SG) wishes a warm welcome to returning students as well as new students to the Bayboro Campus.

SG meetings are scheduled for Wednesday afternoons at 4:30 pm in COQ-218. All students are invited to attend as SG needs your input to be a truly effective student government.

LIBRARY RECEIVES $25,000 DONATION
Joseph Raymond Gerberich, a University of Connecticut Professor Emeritus in Educational Testing and Measurement, has contributed $25,000 from his retirement pension to USF St. Petersburg's Poynter Library for the purchase of books as a memorial tribute to his wife, Augusta H. Gerberich.

Dr. Gerberich, who has authored and co-authored seven books and 80 articles on his academic specialty, has specified that his gift be used to acquire books on international relations, an area that his wife specialized in throughout much of her lifetime.

Mrs. Gerberich traveled extensively in Europe, South America, Canada, and the United States prior to her marriage. In the mid-1930's, she participated in foreign conferences on international relations in Austria, Switzerland, and Mexico.
She also attended several of the organizational meetings of the United Nations at Lake Success, N.Y. in the early 1950's. She presented speeches promoting the United Nations to many groups in Connecticut, and received a Distinctive Merit Award and a proclamation signed by Dwight D. Eisenhower honoring her service as chairman of Mansfield, Connecticut's National Observance of United Nations Day in 1957.

A League of Women Voters member for more than 50 years, Mrs. Gerberich shared her husband's love for teaching. She served as an American history instructor at Bayonne High School in New Jersey for many years.

During World War II, she taught for three terms at the University of Connecticut, including one term of teaching a northern version of American history to a section comprised of southern students.

After retiring to St. Petersburg, the Gerberichs became diligent volunteers at the Poynter Library. The projects that they worked on together included the development of the Library's "Pointers", a series of bibliographic guides on various subjects related to courses taught on campus.

They were also active participants in the Society for Advancement of Poynter Library.

"We at USF are deeply touched by Professor Gerberich's gift," says Library Director Samuel Fustukjian. "The collection of books on international relations will be a lasting tribute to his wife and a vital resource for generations of students to come."

"The Poynter Library sincerely needs the support of community members like Professor Gerberich to continue its pursuit of excellence, and I hope that in the future, others will follow his fine example."

NEW COPIERS!

"When will the library learn that it needs to keep about $25.00 worth of nickels around for copiers?"

"When will the library have both copiers functioning well at the same time?"

"Why doesn't the Library have a dollar bill changer in the copy room?"

"The copy machines make poor quality copies!!"

--- from the complaints of the Nelson Poynter Library.

New copiers are now in the library, and along with them, new services, new procedures, and, hopefully, no more complaints. You can now make multiple copies, and there is no need for change. A magnetically coded card can be purchased from a vending machine (located in the library) in $1, $5, or $10 amounts. The card is inserted into the copier and it electronically subtracts 6 cents for each copy.

By inserting more money into the copiers (bills accepted!!!), you can add a particular amount to the card for future use. The initial cost of the card is 25 cents, but will last 5-7 years, and can also be used on the Tampa Campus.
Danka Industries, which will service the copiers, say that the Royal copiers are the most reliable available, and no more than four hours of down-time is guaranteed by contract.

----------SWIMMING POOL UPDATE

By Melissa Fox, Pool Manager
The newly refurbished USF St. Pete swimming accessibly
completed its first year of operation opening on Sept. 13, 1985.
Special events held include water-smashing water volleyball
tournaments hosted Water Buffalo and won by The Killer Whale
and The Mullet (October), evening pool parties –the back-to-School
Bash. The staff also experimented with evening hours during the
summer.

The pool closed Dec. 12 for the winter and will re-open in mid-
March for Spring Break. The first water volleyball tournament
is scheduled for mid-April after the hope that YOU will plan to
spend a part of your spring break working on your tan, develop
in our volleyball skills or reading a good textbook operation

FRIDAY EVENING FILM SERIES

The Activities Office of the University of South Florida at St. Petersburg begins its Friday Evening Film Series semester II on January 23, 1987. All films will be shown the Conference Auditorium, Bayboro Hall (BAY-130)

Please note that this is a CHANGE OF LOCATION. Presentations will begin promptly at 7:30 pm unless otherwise indicated below.

The Series is FREE to all college students faculty friends and their families and guests Please bring your university I.D.

The series will have a new look this semester as we experiment with video-cassettes Consequently, some movies will use traditional 16mm projection and some will feature video-cassettes shown on a big screen (with 18nrussmn for public performance of course). Let us know what you think of this innovation.

If there are many films you would like to see offered in a future film series, please notify the Activities Office.
