Creating Lecture Recordings with PowerPoint: training offered July 16, 2014

Nelson Poynter Memorial Library. Online Learning and Instructional Technology Services.
Creating Lecture Recordings with PowerPoint

Adding narration to PowerPoint presentations is easier than it sounds. You can record your voice to narrate one slide or the entire slide show. Join us for this hands-on workshop creating lecture recordings with PowerPoint. There are endless possibilities to creating lecture recordings with PowerPoint and you're only limited by your own imagination!
