If you're out in the open during a lightning storm, you should kneel instead of lying flat as some experts have recommended in the past, says the U.S. National Weather Service. The weather experts say you should drop to your knees and bend forward with your hands on your knees—thus maintaining a low profile, while at the same time keeping only a small area of your body in contact with the ground. In this position, if lightning strikes nearby, it's less likely to use the body as a conductor.

DR. WILLIAM SACKETT NAMED CHAIRMAN OF MARINE SCIENCE

Dr. William M. Sackett, professor of oceanography at Texas A&M University, has been named chairman of the Department of Marine Science at the University of South Florida effective Sept. 1, 1979.

Dr. Sackett earned a B.S. and Ph.D. in Chemistry from Washington University in St. Louis. He has published over 70 articles and books in his more than 20 years as a scientist.

His varied background includes working in industry, teaching, research, consulting and one year as the U.S. Senior Scientist at the von Humboldt Foundation in Hannover, Germany.

Dr. Sackett has taught at the University of Tulsa and Columbia University as well as Texas A&M and has served as visiting scientist at Woods Hole Oceanographic Institution and Scripps Institute of Oceanography.

Dean James D. Ray, who made the announcement, said acting chairman Dr. John C. Briggs will remain in the department as a professor.
MUSEUM OF FINE ARTS - ST. PETERSBURG

St. Petersburg... The Museum of Fine Arts presents a free series of five concerts in the acoustically live Marly room during the month of July. The success of last year's summer concerts determined the presentation of another season of programs at no charge. Area musicians will present various programs at 3 PM on successive Sundays throughout the month.

Opening the series on July 1, Niuta Isserlin will perform on the Museum's seven and a half foot Bosendorfer piano. Mrs. Isserlin has performed as soloist with the Lithuanian radio and symphony orchestras, as well as on the stage, television, and radio. She is currently teaching at Eckerd College in St. Petersburg. Mrs. Isserlin's recital will include works by Scarlatti, Beethoven, Chopin, and Scriabin.

On July 8, Nathaniel Thomas Jr. will give a piano recital, playing works by Bach, Haydn, Chopin, Schubert, and Rachmaninoff. Mr. Thomas is the first black student to receive a Fine Arts degree in applied piano from the University of South Florida.

Roberto Silvano, baritone, on July 15 will sing a varied program of classical works and show tunes. Mr. Silvano has sung with the St. Petersburg Opera Company and the Orlando Opera Company. He has had twelve years of summer stock experience in the Midwest, including the leading male roles in "South Pacific," "Carousel," "Sound of Music," and "The Fantastics." He will be accompanied by Margaret Douglas.

Chairman of the piano department at St. Petersburg Junior College, Lawrence McCann will present a piano recital on July 22. Mr. McCann has appeared in numerous recitals, chamber music, and orchestral concerts on stage, radio, and television. A finalist in the Caudeamus International Competition in Utrecht, Holland, he has been pianist for both the Tampa Philharmonic and the Gulf Coast Symphony orchestras.

The last in the series, July 29, John King will perform a program of works for the guitar composed by Villa-Lobos, DeFalla, DeMadarra, Bach, Albeniz, Sor, Barrion, Parrega, and King. Mr. King, also a composer, has recently studied in Master classes under Michael Lorimer, a protege of Andre Segovia. He is currently head of the music program for the Arts Resource Corps project of the St. Petersburg Department of Leisure Services and Cultural Programs.

The public is cordially invited to attend the concerts free of charge. No reservations are necessary. The Museum is located at 255 Beach Drive North. For further information call the Museum's office at 896-2667.

SUBSIDIZATION...

SUBSIDY is a method that participation in cultural and recreational activities is an integral part of a student's formal education and that constructive use of leisure time is a desirable goal.

Due to the lack of cultural and recreational resources on the St. Pete campus, student participation in many community events is directly subsidized to compensate for these deficiencies.

Students taking the majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization. Proof of fee payment, listing your hours, and your validated student photo I.D. are required.

Eligible students must come to the Student Activities Office (SPB-113) to initiate ticket arrangements. Students may buy as many tickets as desired but only the allotted amount of subsidy will be deducted from the purchase. Subsidy may be used for more than one event--until the individual's portion of subsidization is depleted.

The student must pay at least $1.00 per subsidized ticket.

The subsidization program is conducted quarterly. Tickets are on sale from the first to the last day of each Quarter. Subsidization is not available during Quarter breaks.

Once you have used your subsidy, you may still buy tickets at our PURCHASE PRICE, which is often much lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>SUBSIDY</th>
<th>REGULAR COST</th>
<th>USF COST</th>
<th>SUBSIDY PRICE</th>
</tr>
</thead>
<tbody>
<tr>
<td>COUNTRY</td>
<td>Up to $7.00</td>
<td>$3.00</td>
<td>As low as $1.00 by using $2.00 of your subsidy.</td>
</tr>
<tr>
<td>CLUB</td>
<td></td>
<td></td>
<td>A student taking 7 hrs. (less 800 per hr.) would have $5.60 subsidy.</td>
</tr>
</tbody>
</table>

Tickets may also be purchased for events at Bayfront Center, Asolo Theatre in Sarasota (during its repertory season), Country Dinner Playhouse (USF Group Night), and Busch Gardens. (Staff and faculty may buy tickets at our PURCHASE PRICE.)

All tickets for Bayfront Center Events must be procured at least 24 hours prior to event. Exchange Yellow Receipt for tickets at the Box Office.

A list of TICKETS-ON-SALE is posted outside of the Activities Office. Non-subsidized discount tickets to local movie theatres, Ro dies and Bucs games are also listed for sale.
USF-TAMPA ... AWARD-MUSICAL PLUS DRAMA PERFORMED BY THEATRE USF DURING JULY

(Continued from Page Four)

Two award-winning plays of the '70s will be presented next month at the University of South Florida by Summer Theatre USF.

"Pippin," the rollicking musical saga of Charlemagne's son by Steven Schwartz and Roger O. Hirson, which won five Tony Awards in 1972, previews July 11 in the University Theatre. Thereafter, it will be performed July 12, 13, 14, 21 and 26 at 8:00 PM, with special Sunday Family Night shows July 15, 22, and 29 starting at 7:00 PM.

"Equus," the searing psychological drama from Britain that took Broadway by storm in 1974, will preview July 17 at 8:00 PM in the University Theatre. It will run July 18, 19, 20, 24, 25, 27 and 28 (all performances at 8:00 PM). This winner of the New York Drama Critics Award is recommended for mature audiences.

Heading a cast of 35 in "Pippin" is Greg Mowris in the title role. Mowris, a graduate student, was last seen on the USF stage in the English comedy, "Jumpers." Theatre major Rick Castillo will portray the Leading Player in "Pippin," a part which won a Tony for Ben Vereen in the Broadway version. Castillo will also choreograph "Pippin" (he was the New York production 11 times), a chore for which he is well qualified, having choreographed last summer's "South Pacific." Castillo also teaches disco at Carousel Firethorn Dance Studio.

Associate professor of theatre Paul Massie will portray psychiatrist Dysart in Peter Shaffer's "Equus." Massie, who directed USF's recent, highly acclaimed production of "Candide," is a London-trained actor whose professional credits encompass some 50 theatre, film and television roles, including "Cat on a Hot Tin Roof" with Kim Stanley, and "Julius Caesar" at Stratford, Ontario. He was also a recipient of the British Academy Award for his role in the spy film, "Orders to Kill."

Jeff Norton, leading actor with the Alice People, will portray Alan Strang, the disturbed young boy who blinds a half-dozen horses in the stable at which he works. Norton, a continuing member of the Alice People Company, has played a wide variety of roles, ranging from a college boy in "Moonchildren" to a humorous Mediterranean rogue in "Scapino."

Jack Belt and Mary Ann Bentley, both of the USF theatre department, portray Alan's parents.

Directing both productions is visiting artist Larry Smith, the first American to be accepted into the director's program at London's Drama Center. Smith went on to become assistant to the Center's director, Yat Malgren. He has directed many productions in England and the U.S., among them "Richard III," and the "Creation of the World and Other Business," and "A Doll's House." A former USF student, Smith returned to campus in 1975 as a guest director of "Spoon River Anthology."
