MEMORANDUM

DATE: September 4, 2012

TO: David Brodosi
Distance Learning & Instructional Media Coordinator

FROM: Bill Hogarth
Interim Regional Chancellor

SUBJECT: Employee of the Month for September

_____________________________________________________

Congratulations! You are a recipient of the USF St. Petersburg Employee of the Month award for September 2012.

This award is given to employees who go above and beyond typical job expectations, provide outstanding customer service, or perform distinctive achievements that impact the department/campus. You were selected for this recognition because you were instrumental in the planning and implementation of the LearnLab in Davis 239. Many of the features of this lab had not been executed anywhere else on campus and you had to work with numerous contractors and vendors to achieve the vision set forth by the College of Business. Even when you ran into last minute glitches, you stayed late to find creative solutions. Additionally, you revamped the Distance Learning studio and was selected as the lead designer and manager for the project. You worked tirelessly and without complaint to bring this major project to completion in an unbelievably short time! Your efforts deserve this recognition!

As the Employee of the Month recipient, you will be awarded $50 and a monthly parking pass in a designated area. This $50 will be included with your regular pay at the next payroll cycle and added to your taxable wages.

I applaud your commitment and dedication to our institution. Again, congratulations!
