New Arts Alliance Benefits
Creative Directory | Visitors Guide App | Studio and Gallery Brochure

Three free Arts Alliance benefits below are made possible by a grant from AARP!

1. The Arts Alliance has launched a Creative Directory on our website to benefit artists of all disciplines, museums, theatres, dance companies. Volunteers have logged many hours to create a site that supports your marketing. Visit the Creative Directory: https://stpeteartsalliance.org/creative-directory/. If you are listed you can “claim” your site. Then update it and place up to three images of your work. If you are not listed, set up your account, then claim it. We will receive an email to approve and make it public.

2. This directory will also directly support the new visitor app, Guide to Arts & Culture. The app will be launched on June 25! Save the date for the info session at The Greenhouse.

3. A new brochure, The Visitors Guide (and Map) to St. Petersburg’s Studios and Galleries will be distributed citywide.

Stand UP and be Counted!
Non-Profits Arts And Cultural Organizations

St. Pete Arts Alliance and Creative Pinellas are working with Americans for the Arts to conduct an economic impact study of non-profit arts organizations in Pinellas County. And of course we want every arts & cultural nonprofit to be counted. Your participation would be an important part of our survey.

Part of the process is collecting 800 surveys from patrons of the arts by the end of this year. Would you be willing to help? To date, we have had a very good response from people. They are quite willing to take a few minutes to fill out the survey. Ideally front desk staff can ask patrons to fill it out. We can drop off surveys with an lucite tabletop stand with info that explains it.
Please let Jenna Felder know if you will join us, jenna@stpeteartsalliance.org. Thanks
