This Other is brought to you for free and open access by the Online Learning and Instructional Technology Services (OLITS) at Digital USFSP. It has been accepted for inclusion in Professional Development by an authorized administrator of Digital USFSP.
Do you have questions about Canvas Gradebook or SpeedGrader? If so, then we have the session for you. The Gradebook helps instructors easily input and distribute grades for students. Grades for each assignment can be calculated as points, percentages, complete or incomplete, pass or fail, GPA scale, and letter grades, and assignments can be organized into groups for weighting as well. Make grading a snap with Grade Center & SpeedGrader.
