The Power2Give concept is simple: Arts & Cultural Nonprofit organizations list needs for a specific project – for example, costumes for an upcoming show or instruments for underserved children. Visitors to the site choose the project that matches their interests or touches their hearts and make a donation. The donation may be as little as \$5 but that very important contribution supports local arts and enables creativity to flourish. With tools and resources for both donors and cultural organizations, power2give.org makes posting, donating and promoting projects convenient and engaging.

Here's examples of what other arts orgs are doing with Power2Give:

Central Florida: <http://power2give.org/CentralFlorida/projects>

Broward County, FL: <http://power2give.org/broward/projects>

Puget Sound: <http://power2give.org/pugetsound/projects>

St. Louis: <http://power2give.org/GreaterStLouis/projects>

Who can post projects?

- 1) You may post a project if you represent a 501(c)3 nonprofit arts and cultural organization located in Hillsborough or Pinellas Counties that has been registered as a charitable organization with the State of Florida for at least one year at the time of posting.
- 2) You hold a valid solicitation agreement in the State of Florida (If you are a professional solicitor, you are registered with the State of Florida and have a valid solicitation agreement with the 501(c)3 that you represent.)
- 3) You can provide a copy of the organization's 2012 990 IRS Form

The power2give.org/TampaBay website will launch in January 2014.

A North Pinellas workshop, coordinated by Creative Pinellas, will be presented at the Dunedin Fine Arts Center, Dec. 11, at 3 p.m.
