Since You're Here...

Welcome Back!! Look around and check out all the changes to the library!

- * The 1st floor Scholars' Lounge and the Poynter Corner received a makeover this summer. The comfy chairs and tables are new, but their great location to study & enjoy the view remains the same.
- * Most books from the Reference Collection are now part of the Circulating Collection and available for check out.
- * New computers are now available in the 1st Floor Library Information Commons. Faster machines running Windows 7 and the latest software have been made possible by the Student Technology Fee initiative.
- * New laptops for student checkout are also scheduled to arrive Fall 2012! 10 new Dell Inspiron laptops and 7 Apple PowerBook Pro laptops will be available, so you can check out a laptop for library-use and browse the web and study from anywhere in the Nelson Poynter Library building.
