## Early Footprints in the Sand: Pre-Columbian Settlements along the Pinellas Peninsula and the Legacies of First Contact

Speakers:

Jim Schnur & Elizabeth Southard

Learn about the Manasota, Weedon Island, and Safety Harbor cultures that lived along Florida's west coast before the arrival of the first Europeans. Discover how the arrival of Spanish conquistadors such as Juan Ponce de Leon, who first visited and claimed *La Florida* as part of the Spanish realm five-hundred years ago, affected the Pre-Columbian settlements. As part of this program, you will see an assortment of shell and stone tools, as well as pottery remnants, discovered along area shorelines.
