The *Rolling Stone* Cover: Coverage or Celebrity?

Join a series of conversations in 2013-2014 designed to involve the entire USFSP community, where we ponder our history and traditions, reflect on our present, and imagine our future through the lens of current events or issues of broad interest.

The first conversation, **The Rolling Stone Cover: Coverage or Celebrity?** will provide an opportunity for people to discuss the September cover of *Rolling Stone* featuring Boston bombing suspect Dzhokhar Tsarnaev and the controversy that arose from it. Faculty, administrators, staff, and students will be there to provide their perspective and engage in discussions with other interested members of the campus community.

Thurs. Sept. 26 | 3:30-5:00 p.m.
