SUBJECT: Employee of the Month for May

Congratulations! You are a recipient of the USF St. Petersburg Employee of the Month award for May 2009.

This award is given to employees who go above and beyond typical job expectations, provide outstanding customer service, or perform distinctive achievements that impact the department/campus. You were nominated because of your contributions to the community regarding the American Recovery and Reinvestment Act. You have offered resource materials and workshops to help the community identify ways to utilize these funds. You have offered to help faculty research grant opportunities and have linked professors with promising programs. Additionally, you were the prime coordinator for a very successful Research Month where your creativity put scholarship and research in the spotlight!

The Employee of the Month recipient receives a $50 gift card to Publix and a monthly parking pass in the designated Employee of the Month parking space.

In order to pick up your gift card, please present this memorandum to the Cashier's Office, BAY 132, with a photo identification card.

I applaud your commitment and dedication to our institution. Again, congratulations!
