STUDENT ACTIVITIES presents
 THE USF STORY THEATRE in
Southern Fried Cracker Tales

The Southern penchant for story-telling, combined with folk songs and dances, are all elements in the original children's theatre production titled "Southern Fried Cracker Tales," which will be presented at USF, St. Pete on Saturday, Feb. 28. Two performances are scheduled: 1 p.m. and 3 p.m. Tickets are 50¢ each and may be purchased in advance in the Activities Office.

"Southern Fried Cracker Tales" is performed by members of the University of South Florida's children's theatre class, under the auspices of the USF theatre department, and was created and staged by Judith Baker Kase, assistant professor in the College of Education.

Five separate stories comprise "Cracker Tales," among them "Daddy Mention and Sourdough Gus," "The Conjur Alligator Man," "The Talking Mule," "Mister Fox," and "The Twist Mouth Family." Folk songs and dances punctuate each segment of the production, and are interwoven in several plots.

Extended puns, animals with marvelously human attributes, broad comedy and high suspense all contribute to the wide dramatic range of "Cracker Tales." Ms. Kase and her children's theatre class discussed at length the original folk sources for "Cracker Tales" before selecting the five to be dramatized.

Members of the children's theatre class (which calls itself the USF Story Theatre) include Marianne Barber; Theodore L. Brozanski; Alita Dewey; Steven Albert Hein; Robert S. Huggins; Ann K. James; Carol Jean Kennedy; Mindy Lang; Melissa Littlefield; Betty Locklear; Cliff W. Martin III; Don L. Stover; and Louis Telzer. In addition to their performing roles, the class members also functioned as production staff.

Scenery was designed by Gerry Leahy of the Florida Center for the Arts; costumes were designed by John Schuldt of the USF theatre production. Virginia Murray was costumer for the production.

FRIDAY EVENING FILM SERIES...

M*A*S*H

FEBRUARY 20

COLOR Rated: R 1970

Starring DONALD SUTHERLAND, ELLIOT GOULD, SALLY KELLERMAN, TOM SKERRITT

Directed by ROBERT ALTMAN

"If the Marx Brothers were all still around and an audacious script-writer had dressed them in white surgical uniforms and set them near the front in Korea during the war and told them to run amok, the results would have probably turned out something like this saucy, outrageous, irreverent film. Nothing is sacred: not medical surgery, chastity, womanhood, army discipline, the sanctity of marriage, war movies, or the great American institution of football."

Engraver your valuables

An electric engraver is available to members of the campus community for engraving valuable items for identification.

The engraver may be checked out overnight or valuables may be engraved in the Student Activities Office.

CAMPUS BLOOD DRIVE

On THURSDAY, FEBRUARY 26, the St. Anthony Hospital Blood Bank will be on campus to conduct a blood drive. St. Petersburg hospitals are constantly running out of various blood types. The elderly (over 65) are in constant need of blood and yet they themselves are prohibited from donating their blood. This means St. Petersburg must rely on individuals between 18 and 65 to supply their blood needs.

Two blood drives have been conducted on the St. Petersburg campus and, from my understanding, both were dismal failures. There is no reason why any institution of our size should not be able to generate at least fifty donors.

If you would like to donate a unit of blood on February 26, please sign up at the Student Activities Office. Your donation will provide you and your family all of its blood needs for a year.

B L O O D D R I V E

REQUIREMENTS: You must donate one acceptable unit (pint) of blood.

COVERAGE: You will be covered by the plan for one full year from date of donation. In addition to providing for all your own blood needs during the year, your donation would guarantee the replacement of all blood needs for:

1. your wife or husband
2. parents or legal guardians
3. brothers or sisters
4. your children

WHO MAY GIVE: Anyone between age 18 and 65. You will be temporarily rejected if you have a cold, an active allergy, if you have received a blood transfusion, had major surgery, or given birth to a child within the past six months.
