ANTIQUE TOY SHOW

A small selection of 19th and 20th century American antique toys will be on display in the Hannah's Gallery for Decorative Arts, at the Museum of Fine Arts from November 24 to January 6.

This nostalgic group of toys, of interest to both children and adults alike, is from the Frank Mish Collection of the Historical Society of Hagerstown, Maryland.

Objects in the show include tin wind-up automobiles, stuffed animals, Schoenhut dolls, jointed wooden dolls, and a Charlie McCarthy tin toy.

The Museum is located at 255 Beach Drive North. The hours are Tuesday through Saturday, 10-5 P.M. For further information, call the Museum at 896-2667.

CHANGING COLORS OF STAINED GLASS

"Changing Colors of Stained Glass," an exhibition of contemporary works of stained glass from the Southeastern United States, will be at the Museum of Fine Arts from November 24 to January 6.

These works of color and brilliancy are by thirteen different artists from Florida, Texas, and Louisiana. The bulk of the works are from artists living in Baton Rouge, Louisiana—the location of a fine graduate program in stained glass at Louisiana State University. Paul Dufour, one of the artists whose work is included in the exhibition, is a professor of fine arts at L.S.U., having taught several of the other stained glass artists in the show.

Innovation and experimentation are the threads that run through all the works included in this exhibition. According to Albert Stewart, Director of the Florida State University Art Gallery and guest curator for this exhibition, recent developments "suggest a trend toward autonomy in stained glass art, while at the same time promoting its integration with contemporary architecture."

TRAVEL AIDS

The Activities Office has been working with the Overseas Information Center and American Overseas Travel (Tampa Campus) to provide members of the St. Pete Campus community with information regarding travel and international studies programs. A literature display rack and bulletin board are currently set up in the North Lounge to centralize this information. If you have access to any brochures or related materials that might be helpful, we'd appreciate some copies for distribution or posting.

GERMAN WEEK... FEBRUARY 8-17, 1980
Details coming soon!
University of South Florida's National Honor Society, Phi Kappa Phi, will hold its fall induction ceremony Sunday, Nov. 18, at 3 PM in the Gymnasium.

Betty Castor, USF's new director of governmental and community relations, and a former state senator and director of the Florida Division of Elections, will be the guest speaker. She will discuss forthcoming issues in higher education from a legislative standpoint.

Invitations to join the prestigious organization have been extended to more than 300 students, judged to be in the top ten percent of their particular college. Both undergraduates and graduate students are eligible.

USF's Phi Kappa Phi chapter was created in 1972, although the national organization has been in existence for about 85 years, USF chapter president and communications professor Walt Cristi said. The organization is unique from other honorary groups, he added, because it recognizes academic excellence in all disciplines.

Induction ceremonies are held twice a year by invitation.

The USF St. Pete Singers are a collection of persons who periodically gather to volunteer their time and talents for humanistic entertainment endeavors. Active since 1974 at USF St. Pete, the group features Vocalists, Hummers, Dancers, Jugglers, Artists, Costume Designers and any other interested Warm Bodies.

In 1978-79, the Singers grew to thirty participants and performed twenty Christmas programs, six St. Paddy's Day shows (plus one impromptu act at a local pizza parlor) and a special request concert for a gentleman's 100-year birthday party. The events occurred at local rest homes, adult psychiatric centers, vets hospitals, low-income housing projects, etc. We have a good time too!

Here's your chance to become a real star! And bring your family! Rehearsals for the "6th Annual Christmas Spectacular, featuring a Cast of Thousands" are held on Sundays from 6-8 PM in the Auditorium.

Contact the Student Activities Office (SPB-113) for details today.

The Student Education Association (SEA) would like to exhibit books and publications written by the USF/St. Petersburg Campus faculty, during Quarter II. This display will be set up in the glass case in the North Lounge of Building B. Would it be possible for you to submit a list of your publications—and perhaps an extra copy for our display—at your earliest convenience prior to December 12, 1979?

We plan to schedule the exhibit to complement the Florida Suncoast Writer's Conference held here in January.

Please submit your list to SEA in care of the Student Activities Office (SPB 113). Thank you for your time and cooperation.
