U.S.F. aid
Students who have the USF financial aid application on file for B.S.-83 may sign up for consideration. Those students who are currently receiving NSFL, SEOG, CSSF, USFSL, or USFG will be given first priority; and among those, students who can graduate in summer, 83 will receive first priority.

Pell Grant
Students who are eligible for Pell Grant and who have not received two full time awards during the 82-83 school year may receive the remaining portion of their entitlement during the summer. Those students need to complete a Summer Pell Grant request form in the Financial Aid Office (SPE 117).

Twelve hours is minimum full time enrollment for the summer session; these hours may be taken in any combination of sessions, but those students receiving aid that requires full time will not receive checks until proof of enrollment for the 12 hours can be presented to the cashier.

Crow's Nest
The CROW'S NEST is printed bi-weekly. If you have any announcements or classified ads, please leave them at the Activities Office (SPE-112). Deadline for submitted material is the Thursday before publication.

**book scholarships**

Books Scholarships for St. Petersburg Campus students are available for Semester II. Application forms may be obtained from the Financial Aid Office or from the Activities Office. All students are eligible. Forms must be turned in prior to Friday, March 25, 1983.

The Scholarships are awarded by the St. Petersburg Campus Women's Organization.

**help spread the good word**

The Office of Media Relations and Publications on the Tampa Campus and the Activities Office on the St. Petersburg Campus are making a combined effort to publicize events, research and feature stories originating from the St. Pete Campus.

We would like to be better informed of possible news/feature stories on Campus, but because of a lack of personnel, we don't always know what is going on. Subsequently, events, research and features which should be given attention may be somewhat overlooked.

If you have information which would be of interest to the media, please pass it along to us. Please remember that the more time we have before the event, the better the chance of having it announced in the newspapers.

Feel free to contact Sudsy (X-129 in St. Pete) or Frank or Michele (X-2181 in Tampa) at anytime with ideas or information.

Thanks!

**day care subsidy**

Students who have small children and who use licensed day care homes or nurseries may wish to participate in the Child Care Subsidy program available to St. Petersburg Campus students. Student Government recently raised the rate of subsidy to $5 per credit hour per Semester effective Semester II. For example, a St. Pete student taking 10 credit hours would be eligible to receive $50 in child care subsidization. Contact Nancy Teets in the Office of Student Affairs (SPE-118) for further information and registration for the program. Don't delay!

**student government**

There are currently several vacancies in Student Government. If you are interested or willing to fill these posts, please contact the SG Office (SPE-116). Vacancies are for representative position in the College of Arts and Letters (1), College of Engineering (1), and Special Students (2).

USF/SP believes that participation in cultural and recreational activities is an integral part of a student's formal education and that constructive use of leisure time is a desirable goal.

In order to augment the cultural and recreational resources on the St. Petersburg Campus, student participation in many community events is directly subsidized.

Students taking the majority of hours on the St. Pete Campus will be allocated $1.00 per credit hour to be applied toward subsidization. Proof of fee payment (listing your hours) and your validated student photo I.D. are required when using your subsidy.

Eligible students must come to the Activities Office (SPE-112) to initiate ticket arrangements. Students may buy as many tickets as desired but only the allocated amount of subsidy will be deducted from the purchase. Subsidy may be used for more than one event--until the individual's portion of subsidy is depleted.

The student must pay at least $1.00 per subsidized ticket.

The Subsidization Program is conducted each session. Tickets are on sale from the first to the last day of each term. Subsidization is not available during term breaks. Subsidization is NON-TRANSFERABLE.

Once you have used your subsidy, you may still buy tickets at our PURCHASE PRICE, which is often much lower than the regular retail price. For example:

<table>

<tr>
<th>Event</th>
<th>Regular Cost</th>
<th>USF Cost</th>
<th>Subsidy Price</th>

</tr>
<tr>

Subsidized tickets may be purchased for events at Bayfront Center, Asolo Theatre in Sarasota (during its repertory season), Country Dinner Playhouse (USF group night), Palisades Theatre, Busch Gardens and other places. (Faculty and staff may buy tickets at our PURCHASE PRICE.)

For further information... and other discounts... contact the Activities Office.
