SUBSIDIZATION...

USF/SP believes that participation in cultural and recreational activities is an integral part of a student's formal education and that constructive use of leisure time is a desirable goal.

Due to the lack of cultural and recreational resources on the St. Pete Campus, student participation in many community events is directly subsidized to compensate for these deficiencies.

Students taking the majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization. Proof of fee payment, listing your hours, and your validated student photo I.D. are required.

Eligible students must come to the Student Activities Office (SPB-113) to initiate ticket arrangements. Students may buy as many tickets as desired but only the allotted amount of subsidy will be deducted from the purchase. Subsidy may be used for more than one event—until the individual's portion of subsidization is depleted.

The student must pay at least $1.00 per subsidized ticket.

The subsidization program is conducted Quarterly. Tickets are on sale from the first to the last day of each Quarter. Subsidization is not available during Quarter breaks.

Once you have used your subsidy, you may still buy tickets at our PURCHASE PRICE, which is often much lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>SUNSET GOLF AND COUNTRY CLUB</th>
<th>REGULAR COST</th>
<th>USF COST</th>
<th>SUBSIDY PRICE</th>
</tr>
</thead>
<tbody>
<tr>
<td>COUNTRY CLUB</td>
<td>Up to $7.00</td>
<td>$3.00</td>
<td>As low as $1.00 by using $2.00 of your subsidy. A student taking 7 hrs. (times 80¢ per hr.) would have $5.60 subsidy.</td>
</tr>
</tbody>
</table>

Subsidization is an integral part of a student's formal education and that constructive use of leisure time is a desirable goal.

Tickets may also be purchased for events at Bayfront Center, Asolo Theatre in Sarasota (during it's repertory season), Country Dinner Playhouse (USF Group Night), and Busch Gardens. (Staff and faculty may buy tickets at our PURCHASE PRICE.)

ALL TICKETS FOR BAYFRONT CENTER EVENTS MUST BE PROCURED AT LEAST 24 HOURS PRIOR TO EVENT. EXCHANGE YELLOW RECEIPT FOR TICKETS AT THE BOX OFFICE.

A list of TICKETS-ON-SALE is posted outside of the Activities Office. Non-subsidized discount tickets to local movie theatres, Rowdies and Bulls games are also listed for sale.

OPERATION
IDENTIFICATION

Protect your valuables with Operation Identification.

The Campus Police and the Student Activities Office are making an engraver available to students for the purpose of marking their valuables as a protection against theft.

To get Operation Identification stickers to display near the front and rear doors of your home, contact Crime Prevention at 1510 1st Ave. No. This sticker informs the burglar that anything stolen from your home will be hard or impossible to sell and that getting caught with it in possession would be asking for a jail sentence.

An additional precaution that is worth the time it takes is to make a list of the items you have engrave and keep one copy in a safe place around the house and another copy in a safe deposit box. If you do suffer a burglary, you will quickly be able to list and describe what was taken, which will help the police or sheriff’s offices in their work. With items that have serial or identification numbers imprinted by the manufacturer, include these in your listing as a double-check on identification.

The marking you should use in Operation Identification is your Florida driver’s license number. This is now a permanent number which will be yours as long as you hold a Florida license. Also it has been constructed according to an alpha-numeric code that immediately tells a police officer certain facts about you, including your sex and age. Thus, the policeman who stops a suspicious person carrying a portable TV set knows something is up if the set is marked as belonging to a 45-year-old woman and the suspect is a 20-year-old man.

Some of the possessions you should mark:

TV Sets
Stereo Equipment
Fishing Gear
Radios
Cameras
Car Tape Decks
Binoculars
Guns

Hub Caps
Lawn Mowers
Vacuum Cleaners
Bicycles
Kitchen Appliances
Dictating Machines
Golf Clubs

Electric Shavers
Typewriters
Tape Recorders
Outboard Motors
