MEMORANDUM

March 21, 1989

TO: Faculty, USF St. Petersburg

FROM: Danny L. Jorgensen, Chairperson 
Faculty Advisory Committee

SUBJECT: Minutes of March FAC Meeting

The FAC met at 10:00 a.m. Friday, 10 March 1989 in the Dean's Conference Room. Present: Cliff Holmes, Danny Jorgensen, Nancy McIntosh, and Jerry Nataro. Absent: Sabra Callan and Sara Mandell.

The Committee discussed its continuing concern regarding the bookstore. The Chair reported a conversation with D. Thrush that provided valuable information and insight into certain operations.

The Chair reported that a memorandum regarding Committee reservations about the use of the terminology "professional demeanor" had been sent to the Scholarship Committee.

The FAC through Dean Davis has invited the Provost and President to visit the Campus and discuss faculty concerns. The Provost's visit is scheduled for 28 April at 2:00 p.m. The Committee recommended to Dean Davis that this should be an open meeting between the Faculty and the Provost.

Upon the request of the Dean, the Committee recommended that all Faculty, including Adjunct Faculty, be invited to march at Commencement.

The Committee expressed support for Dean Davis' consideration of an off-campus Faculty Lecture Series. Part of the intent of this series would be to build further bridges between the Faculty and the community, and provide service to the community.

The Committee discussed lack of faculty participation at the recent community financial drive breakfast. It recommended that the Dean's Office specifically invite Campus Faculty by special announcement a few days prior to such an event.

The Committee decided to poll Campus Faculty regarding a Spring Luncheon to be held at Pepin's. You will receive a separate memorandum shortly regarding whether or not you wish to participate and possible dates and times.

The Committee discussed the possibility of requesting a fairly small number of parking spaces to be reserved for Faculty use only during peak periods. The Chair will query the Campus Police Department regarding the feasibility of reserve faculty parking.

There was extensive discussion of the Campus budget. Nancy McIntosh selectively reviewed the budget. Professor McIntosh will study certain matters further and report to the Committee at its next meeting. Several critical faculty replacement needs, especially in Special Education, Geography, and Sociology, were discussed.
