4TH ANNUAL FLORIDA LISTENING ROOM FESTIVAL ANNOUNCED

4th Annual Florida Listening Room Festival Announced

The festival of intimate concerts will be held April 20-26, 2015 throughout Florida, with the majority of events held in the Tampa Bay area. Professional artists from around the world will be playing concerts in living rooms, offices, and other unique spaces around the state. Last year's festival was headlined by guitar superstar Shaun Hopper and five other acts from as far away as British Columbia, Canada. Hopper and the other festival artists played a total of 50 concerts around the state. The 2014 edition also helped launch OfficeConcerts.com, with the featured acts performing 35-minute, daytime concerts in the offices.

The core of the festival will always be house concerts, where music fans invite artists to perform in their living rooms.

Artist applications will be accepted online between August 1-7. Application fee is $65, [First 100 applicants get a $20 discount.] Six to ten performers will be selected for the unique tour. At least one of the headliners will be based in Florida. Concerts will include a kick-off event and showcase finale concert at the Palladium Theater in St. Petersburg.
