USF St. Petersburg by the Decades

Conversations about USFSP's History and Culture

Moderated by Jim Schnur, Special Collections Librarian, Poynter Library
and Sudsy Tschiderer, Artifact

A lively dialogue with former students, faculty and staff from the era. See images and artifacts from USFSP's evolution. Learn the history of our institution—and participate in the interactive banter. Wear your favorite retro or current USF St. Pete apparel. Light snacks will be provided. The event will take place in the Poynter Corner at noon.

Man in Hue - Constructing a Narrative Response to Shakespeare's *Sonnets*

MLA Program

This presentation will draw focus on the creation of a single androgynous beloved constructed from two love objects of opposite gender in Shakespeare's *Sonnets*. In addition, Michael Slattery will discuss a creative work of fiction that he has developed from working with these same sonnets.

Fieldwork Experience: Data Collection for the Thesis "Forest Community Integration and Collective Agency in Korup National Park, Cameroon: Interactions with Forest Policies and the REDD+ Mechanism"

Masters of Environment Science & Policy program (M.S. candidate)

The presentation will begin with a brief overview of the challenges and opportunities faced by rural communities in Korup National Park, Cameroon, in their interactions with past, current, and future forest policies. This will be followed by a slide show illustrating my experiences of collecting data in the field, from the forest villages around Korup to the busy capital city of Yaounde.
