SUBJECT: Employee of the Month for May

__________________________________________________________

Congratulations! You are a recipient of the USF St. Petersburg Employee of the Month award for May 2010.

This award is given to employees who go above and beyond typical job expectations, provide outstanding customer service, or perform distinctive achievements that impact the department/campus. You were nominated because you came to the rescue of the representatives of the Pinellas County School System and provided assistance in importing their technology for websites and documentaries at the History Fair for high school and middle school students. You used our equipment and then volunteered to work the event as a technology facilitator. I understood that you virtually worked non-stop facilitating the technology in several buildings as well as answered questions about USFSP and provided directions to students. Not only did you showcase the professionalism of our operations but you were a superb ambassador for our institution.

The Employee of the Month recipient receives a $50 gift card to Publix and a monthly parking pass in the designated Employee of the Month parking space.

In order to pick up your gift card, please present this memorandum to the Cashier's Office, BAY 132, with a photo identification card.

I applaud your commitment and dedication to our institution. Again, congratulations!
