USF/SP believes that participation in cultural and recreational activities is an integral part of a student's formal education, and that constructive use of leisure time is a desirable goal.

Due to the lack of cultural and recreational resources on the St. Pete Campus, student participation in many community events is directly subsidized to compensate for these deficiencies.

Students taking the majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization. **Proof of fee payment** (usually a validated registration sheet listing your hours) and your student photo I.D. are required.

Once you have used your subsidy, you may still buy tickets at our **PURCHASE PRICE**, which is often much lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>Event</th>
<th>Regular Cost</th>
<th>USF Cost</th>
<th>Subsidy Price</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sunset Golf and Country Club</td>
<td>up to $7.00</td>
<td>$3.00</td>
<td>As low as $1.00 by using $2.00 of your subsidy. A student taking 7 hrs. (times 80¢ per hr.) would have $5.60 subsidy.</td>
</tr>
</tbody>
</table>

Tickets may also be purchased for events at Bayfront Center, Asolo Theatre in Sarasota during its repertory season, and Country Dinner Playhouse (USF group night). Staff and faculty may buy tickets at our **PURCHASE PRICE**.

Generally, the student must pay at least $1.00 per subsidized ticket.

**ALL TICKETS FOR BAYFRONT CENTER EVENTS MUST BE PROCURED AT LEAST 24 HOURS PRIOR TO EVENT. EXCHANGE YELLOW RECEIPT FOR TICKETS AT THE BOX OFFICE.**

A list of **TICKETS-ON-SALE** is posted at the Activities Desk.

**REQUIRED SUMMER ENROLLMENT**

All students entering a university within the state University System with fewer than 90 quarter hours credit shall be required to earn at least 15 credit hours prior to graduation by attendance at one or more summer quarters. University presidents may waive the application of this rule in cases of unusual hardship to the individual. Fees are currently reduced by $6 per credit hour for courses taken during Quarter IV (summer). This Board of Regents policy affecting students at all state universities in Florida became effective September 1, 1976.

**FACT** "... students can no longer realistically assume that they can blithely pursue whatever course of study they fancy and still be assured of getting a good job (in that field) after graduation."

Plan Ahead--What do you know about opportunities for careers in other than your major field?

**ON FEBRUARY 20, 21, and 22**, representatives from a variety of businesses and agencies will be available in the North Lounge to talk with you about professional opportunities!

**WATCH BULLETIN BOARDS FOR SCHEDULES OF VISITS BY INDIVIDUAL REPRESENTATIVES**

**PARKING CHANGES...**

The Student Parking Lot on the west side of Building A has been terminated to make way for use by the Sea Wall Construction Company. However, some staff parking spaces have been changed to Student spaces in the north side parking lot.

USF-ST. PETERSBURG GRAD WINS AWARD

The St. Petersburg chapter of the University of South Florida Alumni Association has won the first outstanding chapter award, which will be presented at the USF Homecoming banquet Feb. 17 at the Riverside Hilton in Tampa.

Lou Kubler, president of the Pinellas chapter, and his wife Carol, will be seated at the head table during homecoming festivities, when he will receive an outstanding chapter banner and a special presidential award. Kubler is chairman of the St. Petersburg Planning Commission and teaches in the Pinellas County School System. He was also the first president of the USF-St. Pete Student Association (now called Student Government).

Fourteen chapters of the USF Alumni Association were in competition for the award, which was based on four areas of USF support—legislative, fund raising, scholarship recruiting and selection, and public relations.

Dr. Sylvia Carra, national alumni board director in charge of awards, chaired the committee to select the outstanding chapter.

Dick Gregory to speak at USF-TAMPA

Human rights activist Dick Gregory will speak at the University of South Florida, Tampa Campus, on February 19 at 8 p.m. in the Gymnasium.

Gregory, who first gained national recognition as one of the country's leading black comics, has walked, run, fasted, and demonstrated to bring attention to human rights causes.

In 1970, Gregory fasted 71 days to dramatize the drug problem in America. The fast was his way of protesting the practice of arresting drug users rather than drug providers.

In 1974, he ran from Chicago to Washington, D.C. to call attention to the problem of world hunger.

Gregory has written nine books including his autobiography, "Nigger." Others are: "No More Lies: The Myth and the Reality of American History," "Dick Gregory's Bible Tales With Commentary," and "Up From Nigger."

His lecture, entitled "Social Problems - Social or Anti-Social," is free to students and $1.50 to all others.
DECEMBER ACTIVITIES
SURVEY RESULTS

by R.D. Peterson

A recent survey conducted by the Student Activities office shows some areas where USF-St. Pete could improve in both academic and extra-curricular areas. Most frequent complaints dealt with selection and number of available day classes; too few resident faculty members; lack of course offerings in the fine arts area; and, of course, our snack bar. Also high on the list were parking problems, the library check-out system, and the television in the South Lounge, polluting the air.

More favorably, students unanimously like, and hope to retain, our size and atmosphere, a place where people are treated as people and not as numbers.

All results were referred to the proper departments within the University. Suggestions from the student body should likewise go to campus administrators including Dean John Hinz, Student Affairs Director Don Haney, or the USF/St. Pete Student Government.

Acting VP Named

Dr. Joseph F. Busta, Jr., was recently named Acting Vice President for University Relations at the University of South Florida, announced USF President John Lott Brown.

Dr. Busta, 32, has served as Acting Director of University Relations since August 1977. His main areas of responsibility will continue to be the USF offices of Development, Alumni Services, Information Services, Publications, Governmental Relations and Community Relations.

"Dr. Busta is an extremely capable and effective administrator. He fulfills a very important role for us and it is appropriate for his title to match the level of responsibility he has undertaken," said Dr. Brown. "He will hold this appointment while a search for a permanent vice president continues."

Dr. Busta, a native of Cleveland, Ohio, joined USF in September 1971, as assistant director of student organizations. In 1973, he was named assistant to the President, a position he held for over four years.
