SUBSIDIZATION
Cheap thrills from the Activities Office

USF/SP believes that participation in cultural and recreational activities is an integral part of a student’s formal education, and that constructive use of leisure time is a desirable goal.

Due to the lack of cultural and recreational resources on the St. Pete Campus, student participation in many community events is directly subsidized to compensate for these deficiencies.

Students taking the majority of hours on the St. Petersburg Campus will be allocated $0.60 per credit hour to be applied toward subsidization. Proof of fee payment (usually a validated registration sheet listing your hours) and your student photo I.D. are required.

Once you have used your subsidy, you may still buy tickets at our PURCHASE PRICE, which is often much lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>EVENT</th>
<th>REGULAR COST</th>
<th>USF COST</th>
<th>SUBSIDY PRICE</th>
</tr>
</thead>
<tbody>
<tr>
<td>SUNSET GOLF AND COUNTRY CLUB</td>
<td>up to $7.00</td>
<td>$3.00</td>
<td>As low as $1.00 by using $2.00 of your subsidy. A student taking 7 hrs. (times 80¢ per hr.) would have $5.60 subsidy.</td>
</tr>
</tbody>
</table>

Tickets may also be purchased for events at Bayfront Center, Asolo Theatre in Sarasota during its repertory season, and Country Dinner Playhouse (USF group night). Staff and faculty may buy tickets at our PURCHASE PRICE.

Generally, the student must pay at least $1.00 per subsidized ticket.

ALL TICKETS FOR BAYFRONT CENTER EVENTS MUST BE PROCURED AT LEAST 24 HOURS PRIOR TO EVENT. EXCHANGE YELLOW RECEIPT FOR TICKETS AT THE BOX OFFICE.

A list of TICKETS-ON-SALE is posted at the Activities Desk.

Movie theatre discount tickets

All students, faculty, and staff members may buy discount tickets to certain local movie theatres. PLITT Theatre tickets are $2.00 each and can be used at anytime (except for advertised special attractions) at the following area theatres: PLAZA I, PLAZA II (St. Pete), DOLPHIN (St. Pete Beach), CAPITAL, SUNSHINE MALL I and II (Clearwater), HILLSBOROUGH I and II and HILLSBOROUGH DRIVE-IN (Tampa).

A New York educator has been appointed as associate dean/director of the University of South Florida’s St. Petersburg Campus, Dr. James Heck, dean/administrator of USF’s regional campuses, announced today (Dec. 5).

"It is a pleasure to announce the appointment of Dr. Hinz," said Dr. Heck. "He brings to St. Petersburg a unique mix of academic experience, administrative capability and maturity. I am confident he will quickly gain the regard of everyone as he begins work with us at USF.

DR. ALBERT ELLIS TO SPEAK

Psychologist Albert Ellis will discuss "A Rational Emotive Approach to Helping People" at noon on Wednesday, January 24 in the St. Pete Campus Auditorium under the sponsorship of the St. Pete Campus Lecture Series Committee. The Psychology Club will host the event. The lecture is free and open to the public.

Dr. Ellis is best known for his research and writing in the area of human sexual behavior. He has also written on crime, neuroses and marriage. His R.E.T. (Rational Emotive Therapy) approach is used by many therapists. Among his many publications are "Sex Without Guilt," "How to Live with a Neurotic," "A Guide to Successful Marriage" and "Murder and Assassination."

CHICKEN FEATHERS?

According to researchers, chicken feathers are 97% protein and apparently are not too difficult to turn into a fine white powder that is easy to digest. A panel of test-tasters found that cookies made from the powder were pretty good to eat. Similar research is going on to develop foodstuffs or additives that are high in protein but not prohibitively expensive to manufacture commercially. Chicken feathers may be the most unusual protein source developed so far, but they are not the only hope for the world's 460 million underfed people. Researchers are experimenting with a variety of other substances such as cottonseed.
