FROM: Margaret Sullivan, Ph.D.

SUBJECT: Employee of the Month for January

Congratulations! You are a recipient of the USF St. Petersburg Employee of the Month award for January 2011!

This award is given to employees who go above and beyond typical job expectations, provide outstanding customer service, or perform distinctive achievements that impact the department/campus. You were nominated because you have devoted many hours of your time investigating, building and enhancing the technical infrastructure and training instructional technologists in support of the MBA online program. While this work started in the spring, the last 60 days you have created a plan for providing storage media for on-campus collaboration between COB faculty and instructional designers, interviewed applicants for the systems analyst position, imaged two permanent computers as specified by the designers with basic software and internet connectivity, and added newer versions of software.

The Employee of the Month recipient receives a $50 gift card to Publix and a monthly parking pass in the designated Employee of the Month parking space.

In order to pick up your gift card, please present this memorandum to the Cashier’s Office, BAY 132, with a photo identification card.

I applaud your commitment and dedication to our institution. Again, congratulations!
