TRAVEL ASSISTANCE
The Activities Office has been working with the Overseas Information Center and American Overseas Travel (Tampa Campus) to provide members of the St. Pete Campus community with information regarding travel and International studies programs. A literature display rack and bulletin board are currently set up in the North Lounge to centralize this information. If you have access to any brochures or related material that might be helpful, we’d appreciate some copies for distribution or posting.

CROW’S NEST
The CROW’S NEST is printed bi-weekly on Tuesdays. If you have any features, personal, free student-to-student advertisements (for sale, for rent, etc.) please leave them at the Activities Office. Deadline for submitted material is the preceding Thursday before publication.

Programs, activities and facilities of USF are available to all on a non-discriminatory basis without regard to color, race, creed, sex, religion, age or national origin. USF is an affirmative equal opportunity employer. The CROW’S NEST is printed by the Student Activities Office.

marine scientists study crude oil content of Gulf

How much crude oil is floating in Gulf waters off the western coast of Florida and where does it come from? These are questions marine scientists at the University of South Florida will attempt to answer in a study begun this spring.

The Florida Department of Natural Resources has awarded William Sackett, Edward Van Vleet and William Behrens a $109,000 grant to study crude oil residues in waters offshore western Florida.

Sackett, chairman of the marine science department at USF/St. Petersburg, said monthly cruises will survey floating oil residues in the Gulf and collect samples. Researchers will keep records of how much oil is there and make an effort to track down the oil’s source.

This way, the marine scientists will have early indications of whether oil from leaks, spills, or accidents such as the runaway Ixtoc well off the coast of Mexico is entering Florida waters, Sackett said.

The researchers will be able to establish a baseline against which future oil content may be measured or compared.

Mormino Receives Fulbright Fellowship

Another Fulbright Fellowship, the fifth this year, has been awarded to a University of South Florida professor.

This time the recipient is Dr. Gary Mormino, associate professor of history, the second person from his department to receive a Fulbright award this year.

USF previously announced that Dr. John Balohavek, associate professor of history, received a Fulbright grant to teach in the Soviet Union in 1980-81.

Mormino will teach at the University of Rome, Italy beginning in September and continuing through May 1981. He will also be doing research on European emigration, including Italian immigration to the United States, as well as studies of Sicily's urban history.

He directed the day-long festival, "Italian American Heritage in Tampa: Cigars and Culture in Ybor City," in Tampa May 10.

The event was attended by more than 800 persons. It celebrated Italian-American culture and contributions to the community.

Mormino secured a $4,000 grant from the National Endowment for the Humanities through the National Italian-American Foundation to fund the festival and conduct studies of the history of Tampa's Italian-American community.

Mormino teaches courses in Tampa history and American history at USF. He is also active in oral history research, seeking out and taping interviews with older residents.

The Fulbright awards, administered by the Council for International Exchange of Scholars, are for lecturing or conducting advanced research in other countries.

Geography

SUBSIDIZATION...

USF/SP believes that participation in cultural and recreational activities is an integral part of a student's formal education and that constructive use of leisure time is a desirable goal.

Due to the lack of cultural and recreational resources on the St. Pete Campus, student participation in many community events is directly subsidized to compensate for these deficiencies.

Students taking the majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization. Fee of $5 fee payment, listing your hours, and your validated student photo I.D. are required.

Eligible students must come to the Student Activities Office (SPB-113) to initiate ticket arrangements. Students may buy as many tickets as desired but only the allotted amount of subsidy will be deducted from the purchase. Subsidy may be used for more than one event—until the individual's portion of subsidization is depleted.

The student must pay at least $1.00 per subsidized ticket.

The subsidization program is conducted Quarterly. Tickets are on sale from the first to the last day of each Quarter. Subsidization is not available during Quarter breaks.

Once you have used your subsid, you may still buy tickets at our PURCHASE PRICE, which is often much lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>EVENT</th>
<th>REGULAR COST</th>
<th>PURCHASE PRICE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sunset Golf and Country Club</td>
<td>$2.00</td>
<td>As low as 80¢, 2.00 of your subsid.</td>
</tr>
<tr>
<td>Rowdies</td>
<td>$10.00</td>
<td>A student taking 7 hrs. (times 80¢ per hr.) would have $5.60 subsidy.</td>
</tr>
</tbody>
</table>

Tickets may also be purchased for events at Bayfront Center, Asolo Theatre in Sarasota (during its repertory season), Country Dinner Playhouse (USF Group Night), and Rush Gardens. (Staff and faculty may buy tickets at our PURCHASE PRICE.)

ALL TICKETS FOR BAYFRONT CENTER EVENTS MUST BE PURCHASED AT LEAST 24 HOURS PRIOR TO EVENT. EXCHANGE YELLOW RECEIPT FOR TICKETS AT THE BOX OFFICE.

A list of TICKETS-ON-SALE is posted outside of the Activities Office. Non-subsidized discount tickets to local movie theatres, Bowdies and Bucs games are also listed for sale as available.

OPERATION IDENTIFICATION

Protect your valuables with Operation Identification.

The Campus Police and the Student Activities Office are making an engraver available to students for the purpose of marking their valuables as a protection against theft.

To get Operation Identification stickers to display near the front and rear doors of your home, contact Crime Prevention at 1510 1st Ave. N. This sticker informs the burglar that anything stolen from your home will be hard or impossible to sell and that getting caught with it in possession would be asking for a jail sentence.

An additional precaution that is worth the time it takes is to make a list of the items you have engraved and keep one copy in a safe place around the house and another copy in a safe deposit box. If you do suffer a burglary, you will quickly be able to list and describe what was taken, which will help the police or sheriff's offices in their work. With items that have serial or identification numbers imprinted by the manufacturer, include these in your listing as a double-check on identification.

The marking you should use in Operation Identification is your Florida driver's license number. This is now a permanent number which will be yours as long as you hold a Florida license. Also it has been constructed according to an alpha-numeric code that immediately tells a police officer certain facts about you, including your sex and age. Thus, the policeman who stops a suspicious person carrying a portable TV set knows something is up if the set is marked as belonging to a 45-year-old woman and the suspect is a 20-year-old man.

Some of the possessions you should mark:

TV Sets
Stereo Equipment
Fishing Gear
Radios
Cameras
Car Tape Decks
Binoculars
Guns

Hub Caps
Lawn Mowers
Vacuum Cleaners
Bicycles
Kitchen Appliances
Dictating Machines
Golf Clubs
Electric Shavers

ST. PETE BUSINESS STUDENT RECEIVES SCHOLARSHIP

Mary Alice Gerken, a student in the College of Business Administration of the University of South Florida at St. Petersburg, has been awarded the second annual Financial Executives Institute Scholarship of $500.

Dr. Robert G. Cox, dean of the College of Business Administration, and Al Gres, Florida Steel Corporation and president of the Central Florida Chapter of the Financial Executives Institute, announced the award at a chapter meeting held at the Tower Club in Tampa on May 15.

Gerken was selected on the basis of her academic record, career interests and student activities. She was selected by a committee consisting of Dr. James Longstreet and Robert West from the College of Business Administration and Victor Leavengood and Robert Lindsay from General Telephone Co. She is a resident of St. Petersburg.
