Discussion of the RVCAA's committee: In 2013, the Faculty Senate created a Distance Learning (DL) Committee with a clear charge to examine the academic issues involved in distance learning and to survey the faculty on campus DL issues. This fall the RVCAA appointed a steering committee with ten administrative members (including the RVCAA) out of 15 members. The purpose of the ad hoc committee is reported as making sure that USFSP is in compliance with SACS Standards for DL and to examine state actions in the area of DL. The Faculty Senate has requested that President Lang request that the RVCAA appoint Jamie McHale to the Distance Learning Steering Committee. President Lang agreed to e-mail Kim Garvey with the suggestion.

VII. Business Items for Discussion

A. Revision of 1998 Promotion and Tenure Guidelines

The 1998 Promotion and Tenure Guidelines predate the creation of the USF System. Provost Wilcox communicated to the separately accredited institutions (USFSP and USFSM) that faculty could stay with the 1998 guidelines, adopt the revision by a Faculty Senate committee at USFT, or create their own revision. Chris Davis reported that current USF policy for promotion and Tenure is listed on the USF System General Council Web Site

<http://generalcounsel.usf.edu/policies-and-procedures/policy-procedures2.asp> In short, tenure is granted by the BOT and promotion by the President. Action Item: Senate members requested that System Faculty Council members seek affirmation of the open communication with USFT and USFSM faculty concerning the revision of the Tenure and Promotion Guidelines.

Approved minutes should be sent to Kaya van Beynen and Jim Schnur for posting in the Digital Archives. All end of year committee reports should be sent to them for posting as well.

E. Proposed Future Guest

The senate discussed the number of administrators at USFSP. Decisions that affect academic programs are often made without explanation of their origins or purpose. President Lang suggested that we invite the administrators working in academic areas to describe their area, purpose, and decision making processes. Suggested guest are Holly Kickliter in admissions, Julie Wong, Associate Vice Chancellor for Student Affairs, and Kim Garvey, Assistant Director of Distance and Distributed Learning.

It was also suggested that we invite Regional Chancellor Sophia Wisniewska to discuss her vision of strategic planning, the role of the faculty senate in advising on all academic areas and

decisions, the contribution and engagement of the full faculty in governance, her relationship with students and faculty. The Faculty Senate also would like to invite Regional Chancellor Wisniewska to make an administrative report at each meeting.

Meeting adjourned at 12:35 pm.
