ticket sales subsidization

USF/SP believes that participation in cultural and recreational activities is an integral part of a student's formal education and that constructive use of leisure time is a desirable goal. In order to augment the cultural and recreational resources on the St. Petersburg Campus, student participation in many community events is directly subsidized.

Students taking the majority of hours on the St. Pete Campus will be allocated $1.00 per credit hour to be applied toward subsidization. Proof of fee payment (listing your hours) and your validated student photo I.D. are required when using your subsidy.

Eligible students must come to the Activities Office (SPE-112) to initiate ticket arrangements. Students may buy as many tickets as desired but only the allotted amount of subsidy will be deducted from the purchase. Subsidy may be used for more than one event—until the individual’s portion of subsidy is depleted.

The student must pay at least $1.00 per subsidized ticket.

The Subsidization Program is conducted each session. Tickets are on sale from the first to the last day of each term. Subsidization is not available during term breaks. Subsidization is NON-TRANSFERABLE.

Once you have used your subsidy, you may still buy tickets at our PURCHASE PRICE, which is often much lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>Event</th>
<th>Regular Cost</th>
<th>USF Cost</th>
<th>Subsidy Price</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sunset Golf and Country Club</td>
<td>Up to $7.00</td>
<td>$3.00</td>
<td>As low as $1.00 by applying $2.00 of your subsidy. Note: a student taking 7 hours (times $1.00 per hour) would have $7.00 subsidy.</td>
</tr>
<tr>
<td>Greens Fees</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Subsidized tickets may be purchased for events at Bayfront Center, Asolo Theatre in Sarasota (during its repertory season), Country Dinner Playhouse (USF group night), Palisades Theatre, Busch Gardens and other places. (Faculty and staff may buy tickets at our PURCHASE PRICE.)

For further information... and other discounts... contact the Activities Office.

Day Care

Day Care subsidy program... contact Student Affairs Office.
Members of the USF St. Pete Sailing Club recently participated in the 1982 Sarasota Herald-Tribune Labor Day Regatta. Five Lasers and two Catalina 22's were entered. The Lasers were skippered by campus Recreation Supervisor Cliff Bare, Doug Parker, Jody Schultz, George Pauley and Dave "Dunk" Martin. Mike Weston and Sailing Club Commodore Mike Walton commanded the Catalinas. Intrepid crew members included: Mark Flock, Hakk Erbug, Lee Kump, Michael Moyer and Dave Mearns. Other members of the campus community attended to cheer them on—including Director of Student Affairs Don Haney who drove in from Tampa.

Impassable weather prevailed, providing a suitable setting for sailing, camping and dancing the night away to the sounds of the superlative Steel Drum Factory. Rumor has it that, late into the night, the USF group was the last to chorus "Auld Lang Syne"—among other barely recognizable tunes, led by none other than Virginia Littrell!

USF skippers and spectators alike were delighted by the excellent seamanship displayed by our campus sailors in this, the first-ever regatta officially entered by a group of campus sailors. Mike Weston's Catalina placed 2nd in its class. (The trophy is displayed in the lobby of Bayboro Hall.) Jody Schultz placed 5th and Cliff Bare placed 10th in the Laser class (out of 23).

Congratulations to all!

**campus sports clubs**

USF St. Petersburg sponsors several athletic teams which participate in local leagues. These sports clubs include a men's softball team (which plays its games on Tuesdays at Woodlawn Field) and a men's soccer team (which plays on Sundays at Woodlawn Soccer Field). A men's basketball team may be organized in the winter. For details, please contact the Recreation Office. Additional teams, both men's and women's, may be formed if there is sufficient demand.

**laser regattas**

During the summer, the campus Recreation Office, in conjunction with the USF St. Pete Sailing Club, conducted weekly intramural Laser regattas. Doug Parker, from the Marine Science Department was tagged early on as the sailor to beat. But as the season wore on, Jody Schultz, from the College of Business, started pulling in consistent first places race after race.

The Recreation Office plans to continue these races and thanks all the participants for helping to make this new program a smashing success!

help stop crime

Campus police suggest six ways members of the campus community can help deter crime.

They suggest that suspicious persons and activities be reported to the campus police office in SPE-127, Ext. 140; bikes and vehicles should be locked when not in use; serial numbers of all valuables should be recorded; engraving of items "sensitive to theft" (free use of an engraver is available from the police office); avoid "flashing" money or leaving valuables in view; and use of free registered metal key tags, available from the campus police office.

student government

St. Petersburg Campus Student Government is composed of the president, vice-president, secretary, treasurer, representatives from each College and categories from the Special Student category. Elections are held bi-annually and the two terms of office are: January to June and July to December. All students are invited to participate in meetings and sub-committees. Notices of Student Government activities are placed on the bulletin board in SPE-116. For more information, call the Student Government Office at 893-9144.
