A Fond Farewell

Filed under eNews Newsletter on Wednesday, January 31, 2007 by Author: Erika LLenza.

The USF St. Petersburg family would like to bid farewell to two employees who have dedicated many years of service to the campus and community.

**Edwin "Wes" Shaw**, was hired as a Law Enforcement Officer at USF St. Petersburg in August of 1990. He joined the USFSP family after years of service with the Philadelphia Police Department, an experience he'd find useful in our metropolitan university environment.

Shaw played softball with the USFSP Wharf Rats, the campus softball team that competes at the annual USF Softball Tournament at USF Tampa.

"His sense of humor and pleasant, service-oriented nature made him a favorite on this campus," said Sudsy Tschiderer, special events coordinator.

Shaw retired Dec. 31, 2006

**Paul Mitchell** was hired as a Pressman in Duplicating Services in April 1972 at USF Tampa. In 1994, he transferred to USF St. Petersburg as a Police Services Technician and was later promoted to Police Communications Officer where he worked the night shift.

"Many people don't know that Paul is an expert on orchids and a very creative chef!" Tschiderer said.

Mitchell retires from USF Wednesday, Jan. 31.
