USF-SP POOL OPENS!

by Suzanne Pennington

Break out your bikinis and suntan oil! After a short delay, the university pool opened on April 21. The pool, which is currently having the old wood and tin canopy replaced with one of fiberglass, suffered the opening set-back because of the recent rain.

There are several activities already planned for this quarter. Among those scheduled are: volleyball tournaments, a senior lifesaving class and a water safety instructor class. The Marine Science department is planning a 'Night in the Islands' party. The Outdoors club and the Senior Class are also planning pool-side parties.

Dennis Latta, pool manager, feels his "old pool with the new look" will result in a "greater turn out than last year." Not relying totally on the new look, however, Dennis is planning an extensive advertising campaign to generate interest in the pool.

Besides being a great place to relax and get a tan, the university pool is also a refreshing alternative to the Library for studying. For more information, contact the Student Activities Office in SPB-113.

An Outstanding Success!

Once again this year the USF-St. Pete Singers staged their second annual St. Patrick's Day Program at local nursing homes and low income housing projects. The group presented a total of nine performances, six scheduled and two impromptu. This year's theme was an evening at Rosie O'Grady's pub. The festivities included a rousing home coming party for Michael Milligan from "America." Other Irish notables included Sweet Molly Malone, McNamara and his Band of Green, Harrigan - plus an authentic Irish policeman complete with whistle and night stick. This year's music accompaniment was provided by a trio of guitarist, a noteworthy change from previous years. Another outstanding feature of the program was a spirited toe-tapping Irish jig performed by three beautiful Irish Colums. The singers are currently looking forward to future engagements and encourage members of the campus community to join them. Don't pass up an opportunity to be a star!

TRAVEL ASSISTANCE
The Activities Office has been working with the Overseas Information Center and American Overseas Travel (Tampa Campus) to provide members of the St. Pete Campus community with information regarding travel and international studies programs. TIMOTHY BOTTOMS

This high-powered drama is almost essential for fall college programs for its realistic and engrossing portrayal of academic life. Timothy Bottoms stars as a first year Harvard law student who strives to maintain his all-important grade point in the competitive grind while holding on to his personal integrity. He romances Lindsay Wagner (TV's Bionic Woman) whose father is the feared, intolerant law professor (Oscar-winner John Houseman) Bottoms is trying to impress. An important statement about the pre-professional experience.

"John Houseman makes a brilliant acting debut as the near-legendary law professor, embodying every nuance of the quintessence of scholarly teaching. And Timothy Bottoms provides a student worthy of Houseman's steel."

SUBSIDIZATION...

USF/SP believes that participation in cultural and recreational activities is an integral part of a student's formal education and that constructive use of leisure time is a desirable goal.

Due to the lack of cultural and recreational resources on the St. Pete Campus, student participation in many community events is directly subsidized to compensate for these deficiencies.

Students taking the majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization. Proof of fee payment, listing your hours, and your validated student photo ID. are required.

Eligible students must come to the Student Activities Office (SPB-113) to initiate ticket arrangements. Students may buy as many tickets as desired but only the allotted amount of subsidy will be deducted from the purchase. Subsidy may be used for more than one event—until the individual's portion of subsidization is depleted.

The student must pay at least $1.00 per subsidized ticket.

The subsidization program is conducted Quarterly. Tickets are on sale from the first to the last day of each Quarter. Subsidization is not available during Quarter breaks.

Once you have used your subsidy, you may still buy tickets at our PURCHASE PRICE, which is often much lower than the regular retail price. For example:

<td>As low as $1.00 by using $2.00 of your subsidy. A student taking 7 hrs. (times 80¢ per hr.) would have $5.60 subsidy.</td>
</tr>
</tbody>
</table>

Tickets may also be purchased for events at Bayfront Center, Asolo Theatre in Sarasota (during its repertory season), Country Dinner Playhouse (USF Group Night), and Busch Gardens. (Staff and faculty may buy tickets at our PURCHASE PRICE.)

ALL TICKETS FOR BAYFRONT CENTER EVENTS MUST BE PROCURED AT LEAST 24 HOURS PRIOR TO EVENT. EXCHANGE YELLOW RECEIPT FOR TICKETS AT THE BOX OFFICE.

A list of TICKETS-ON-SALE is posted outside of the Activities Office. Non-subsidized discount tickets to local movie theatres, Rowdies and Bucs games are also listed for sale as available.

SLIDE-COMMENTARY
ON AFGHANISTAN

Slides and commentary detailing what Afghanistan guerrillas are doing to resist the Soviet invasion of their country will be presented by American journalist David Kline, who last visited the country in March, at lectures May 1 at the University of South Florida/Tampa and USF/St. Petersburg.

Kline's talks will be free and open to the public. He will speak at noon in the North Lounge, Building B, USF/St. Petersburg, and again at 7:30 PM in the University Lecture Hall, USF/Tampa. The University Lecture Series will sponsor the talks.

His reports of the Afghanistan situation, obtained by posing as a tourist and traveling behind guerrilla lines less than one month ago, have been printed this month in the Christian Science Monitor, Canada's "MacLean's" and "People" magazine, among others.

Kline first traveled in Afghanistan in October 1979 and wrote accounts of that experience for the
