crow's nest

The CROW'S NEST is printed bi-weekly. If you have any announcements or classified ads, please leave them at the Activities Office (SPE-112). Deadline for submitted material is the Thursday before publication.

The CROW'S NEST is produced by the Activities Office. Students interested in assisting with production, please inquire at SPE-112.

Events, activities, programs, and facilities of the University of South Florida are available to all without regard to race, color, sex, religion, national origin, handicap, or age as provided by law and in accordance with the University's respect for personal dignity.

ground-breaking ceremony

The St. Petersburg Campus of the University of South Florida will hold ground-breaking ceremonies for a new Student Services Building and Physical Plant facilities at 10:00 AM on Tuesday, November 23, behind Bayboro Hall.

The $3.5 million project will be built around the existing swimming pool, which will receive a face lifting. The Student Services Building will contain 31,000 square feet of space for a new bookstore, cafeteria, classrooms, faculty offices and student activities headquarters. The second building will contain 7,000 square feet to house Physical Plant and Central Receiving facilities. The buildings will complete Phase I of construction on the campus.

Architects for the project are McLane Architectural Firms, Inc., Rados Partnership Architects, and Carlos E. Alphonso Architects Associates.

All members of the campus community—and the general public—are cordially invited to attend. Live entertainment by Dr. William Garrett and the "Trebble Clefs" will be provided. Refreshments, sponsored by the USF St. Pete Student Government, will be served following the ceremonies.

student government elections

ATTENTION ALL STUDENTS: St. Pete Campus Student Government General Elections are slated for Monday, November 29 - Tuesday, November 30 - Wednesday, December 1, 1982. Voting booths will be located in the lobby of Bayboro Hall from 9:00 AM - 8:00 PM. Student Government is your campus representative group!

endowed chair

USF announced plans for the start of its search for the holder of a new $1 million Eminent Scholars Endowed Chair in the department of marine science at a news briefing on November 8.

The donors who have made the Chair possible, a group of downtown St. Petersburg business people known as St. Petersburg Progress, presented to USF a check for $500,000 to complete their contribution to the Chair. Last spring, the community leaders made public their desire to endow the Chair by offering the first $100,000 toward its funding.

The marine science department, the recipient of the Chair, is part of USF's College of Natural Sciences and is devoted to research, graduate instruction and public service in biological, chemical, geological and physical oceanography.

With the 1978 Eminent Scholars Act, the Florida Legislature encouraged USF and other state universities to enhance the quality of the State University System by endowing the $1-million endowed Chairs. The Legislature provides $400,000 in state money to match every $600,000 raised in private contributions by the institutions. The money will be used in this case to fund the salary, staff, equipment and other support needs for a leading national scholar in the marine sciences to be recruited by USF.

To date, USF has secured three other Endowed Chairs: the Lykes Chair of Banking and Finance; the Courtner-Couch Chair for Cancer Research; and the Ed C. Wright Chair for Cardiovascular Research.

**ticket sales subsidization**

USF/SP believes that participation in cultural and recreational activities is an integral part of a student's formal education and that constructive use of leisure time is a desirable goal.

In order to augment the cultural and recreational resources on the St. Petersburg Campus, student participation in many community events is directly subsidized.

Students taking the majority of hours on the St. Pete Campus will be allocated $1.00 per credit hour to be applied toward subsidization. Proof of fee payment (listing your hours) and your validated student photo I.D. are required when using your subsidy.

Eligible students must come to the Activities Office (SPE-112) to initiate ticket arrangements. Students may buy as many tickets as desired but only the allotted amount of subsidy will be deducted from the purchase. Subsidy may be used for more than one event—until the individual's portion of subsidy is depleted.

The student must pay at least $1.00 per subsidized ticket.

The Subsidization Program is conducted each session. Tickets are on sale from the first to the last day of each term. Subsidization is not available during term breaks. Subsidization is NON-TRANSFERABLE.

Once you have used your subsidy, you may still buy tickets at our PURCHASE PRICE, which is often much lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>Event</th>
<th>REGULAR COST</th>
<th>USF COST</th>
<th>SUBSIDY PRICE</th>
</tr>
</thead>
</table>
| Sunset Golf and Greens Fees | Up to $7.00  | $3.00    | As low as $1.00 by applying $2.00 of your subsidy. Note: a student taking 7 hours (times $1.00 per hour) would have $7.00 subsidy.

Subsidized tickets may be purchased for events at Bayfront Center, Asolo Theatre in Sarasota (during its repertory season), Country Dinner Playhouse (USF group night), Palisades Theatre, Busch Gardens and other places. (Faculty and staff may buy tickets at our PURCHASE PRICE.)

For further information... and other discounts... contact the Activities Office.
