**SUBSIDIZATION POLICY**

It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education, and the responsible use of leisure time is the goal toward which extra-curricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

Since only FULL-FEES PAYING STUDENTS contribute a portion of their tuition to Student Activities, only they may purchase tickets at SUBSIDIZED RATES. Each FULL-FEES PAYER will be allowed to receive up to $12.00 subsidy per quarter upon PRESENTATION OF PROOF OF FULL-FEES PAYMENT AND STUDENT ID at the time of purchase. Students must be full-fees paying for the Quarter they receive subsidy and have 9 or more hours on the St. Pete Campus.

Once a student has used up his subsidy, he will have to pay regular ticket prices, as do part-time students, faculty, and staff. All USF persons are eligible to buy tickets at our PURCHASE PRICE, which is often considerably less than the regular retail price. For example:

CONGRATS TO GINGER AND ALSO TO THE NEW MR. AND MRS. DAVID BLATT!
PROCEDURE:

1. The parent, who must also be a full-fees-paying student, will make application for the Subsidy Program in the Student Activities Office (Building B, Rm 113). The first 30 students who apply will be guaranteed reimbursement at the rate of 50% of their cost, not to exceed $50 per quarter regardless of the number of children that a parent enrolls. An additional name will be accepted to replace any of the first 30 who do not comply with item #2.

2. Within one week of their initial application, each student must supply proof that his/her child has been accepted at a licensed day care center.

3. Upon presentation to the Director of Student Services of a paid receipt from the day care center listed on his application, the student will be paid 50% of that amount using the University process of paid invoices. That reimbursement amount will be recorded in his file and will not exceed a cumulative total of $50 for any given quarter.

4. This plan provides for a maximum expenditure of $1500 per quarter and would benefit not less than 30 students. If, at the end of Quarter II less than $1500 has been spent in reimbursements, the remaining funds will be added to the $1500 allocation for Quarter III in order to increase the number of students who would be allowed to sign up. At no time would the individual allocation upper limit exceed $50.00 per Quarter.

5. All students who apply will be asked whether or not they receive financial aid from USF. If so, the names will be provided to the Office of Financial Aids (Tampa) where any necessary adjustment will be made.

6. The reimbursement process will take place the last week of each Quarter.

DAY CARE SUBSIDIZATION

DAY CARE SUBSIDY: A plan whereby USFSP students will be assisted in the satisfaction of their needs for day care service; replacing the recently deactivated Day Care Center.

COMMUNITY CONCERT ASSOCIATION

The St. Petersburg Concert Association will present three all-star performances this year at Bayfront Center, and students can buy tickets at the low, low subsidy rate—for as low as $6 for the total package without subsidy, or—ready?—ONE DOLLAR with subsidy. Richard Tucker, the world's greatest tenor who has had more leading roles at the Metropolitan Opera Association than any other living singer, leads off the first concert of the three-part package. His concert is scheduled for Friday, Feb. 23.

The second concert will feature virtuoso pianist Lorin Hollander, one of the most exciting pianists of his generation. Hollander, incidentally, can be seen on NET-TV this season. He will play in 10 recitals.

The third concert features the Joffrey II Ballet Company, which is the result of the reorganization of the Joffrey Ballet. The original Joffrey Ballet troupe had an apprentice program which now becomes the Joffrey II company. The small company is more versatile than the parent group, and can therefore perform in more concerts. The concert will feature a wide range of dance—from the most classical to the most modern interpretative dance.

Admission to the concerts is by membership card only which costs $6 for students, faculty and staff. Regular price is $15. Full fees-paying students may purchase the season ticket for as low as $1 with subsidy.

Sorry—no individual tickets are sold. Should you be unable to attend one of the concerts, you can loan your card to another person.
