GREETINGS to all new and returning students! Welcome!

Please take note of the following library tidbits:

All circulating material means all material which is not:
1) a Reference item, 2) a magazine or newspaper, 3) material located in the pamphlet file, or 4) an item on Reserve.

Reference material, magazines, and newspapers must be used in the library and a copying machine is provided for you to use to make copies of any pages you may need.

Pamphlet file material may be checked out at the Reference desk for a week. This file is just being set up so there is not too much material available for you yet. Sorry.

Reserved material may be procured for varying periods of time. Fines for the late return of reserves is steep!

Circulating material may be checked out for two weeks, unless a special reason prevents it and a limit is places on the number of books checked out in some areas.

Ask the library staff about the fines schedule. Read the Library Circulation Policy at the Circulation desk.

Important!!! Get your ID card made and validated each quarter. Books cannot be checked out without it.

STUDENT AFFAIRS COMMITTEE

ST PETERSBURG CAMPUS STUDENT GOVERNING GROUP

The Student Affairs Committee is the student governing group on the St. Pete campus. It was designed by students to incorporate all areas of the campus community including students, faculty and staff. Composition includes elected representatives from each student organization on campus as well as elected members at large from the student populace. Additionally, five faculty members are appointed by the Dean. Meetings are held two or three times as necessary throughout the quarter, generally on Friday mornings.

The Student Affairs Committee is that representative group for receiving and communicating the needs of the campus community. It has the task of recommending appropriate response to those same requests. Its major responsibility is to review and recommend the Activity and Service fee budget for each fiscal year. $2.14 of each quarter hours tuition goes to Activities & Services according to Florida state law. These monies support student service operations on campus such as financial aid, job placement, student activities, recreational complex, swimming pool, movies, etc. In order to insure that money generated by St. Pete campus students is retained and expended on the St. Pete campus, your participation is essential.

You can participate in an official capacity or simply as an interested student who attends meetings. Even if you cannot attend meetings, we welcome your input through the Student Activities office. We are currently involved in budgetary negotiations with the Tampa campus to bring Activity & Service fee monies generated by St. Pete campus students back to St. Pete campus. Our first meeting will be held on Oct. 1 at 9 a.m. in the North Lounge of Building B. We hope to see as many of you there as possible.
Day Care Services

Registration: First Week of the Quarter; Registration Day Before Each Quarter

Day Care Registrations Will Not Be Accepted After These Dates.

Procedure

1. The student-parent will make application for the Day Care Subsidy Program in the Office of Student Services. The first 25 students who apply will be guaranteed reimbursement at a rate of 50% of their cost, not to exceed $2.00 per Quarter hour taken at USF, regardless of the number of children the parent enrolls. An additional 10 names will be accepted to replace any of the first 25 who do not comply with item #2. Student-parents must be taking the majority of their hours on the St. Petersburg Campus in order to be eligible for Day Care Subsidy.

2. Within one week of their initial application, each student must supply proof that his/her child has been accepted at a licensed day care center or home.

3. Upon presentation to the Director of Student Services of a paid receipt from the day care center or home listed on his application, the student will be paid 50% of that amount using the University process of paid invoices. That reimbursement will be recorded in his file.

4. All students who apply will be asked whether or not they receive financial aid from USF. If so, the names will be provided to the Office of Financial Aids (Tampa) where any necessary adjustment will be made.

5. The reimbursement process will take place the last week of each quarter.

Parking Policy

Complete USF St. Petersburg vehicle registration and parking regulations for the 1976/77 academic year are available in the Student Services office, Bldg. B, Room 114. Key rules are:

- Vehicles used on campus by the staff, faculty, professional and administrative personnel, career service personnel, temporary employees, and concessionaire employees, night or day, full-time or part-time, must be registered and must bear a distinctive USF decal.
- Vehicles may be registered during formal registration at the beginning of each academic quarter, or anytime between 9 a.m. and 4:45 p.m. on weekdays at the Administration building Cashier's office.
- Students are not required to register vehicles, but are required to obey traffic regulations.
- A student assistant or a graduate assistant shall be regarded as a student, not as a staff member, and therefore will not have to purchase a decal. Adjunct professors/instructors are considered as Staff/Faculty and are required to purchase a decal.
- Students employed via the CWSP shall be regarded as students and will not have to purchase a decal.
- Students who are in the "Student OPS" category will not have to purchase a decal.
- Students in the category of "non-student OPS" shall be regarded as staff members if employed continuously for more than five working days, and will be required to purchase a decal for personal vehicles if such are used on the St. Pete campus.
- Decaled vehicles will park only in reserved parking places.
- Individuals who are required to purchase a decal and do not, will be required to park off campus. Neither "reserved" or student parking places can be used.
- The absence of "no parking" signs, does not mean that parking is allowed on landscaped areas, between building wings, "in the shade", etc. Vehicles, decaled or undeclared (students) will park only in places specifically marked for parking.

Decals Will Go On Sale at the Cashier's Office on 9/24/76
# MORE PARKING

- Faculty and staff are reminded that personal vehicles lacking a USF faculty/staff decal cannot be parked in either the "Reserved" or non-reserved parking spaces on the St. Pete campus. All spaces not designated as "Reserved" for either faculty/staff or state/departmental vehicles are for student parking only.

- After 5:00 p.m., students may utilize vacant faculty/staff parking spaces.

- Vehicles with faculty/staff decals will not park in the spaces marked off in front of "A" building for "Visitors".

- With the exception of the area behind the campus police office, and unless parking has been specifically approved, parking on grassy landscaped areas is prohibited.

- Access to parking places reserved for the handicapped will not be blocked.

- A warning notice will be issued for initial campus parking violations. A violation ticket will be issued for subsequent violations.

CONCERT

MUSIC FOR THIS PERFORMANCE IS PROVIDED BY A GRANT FROM THE MUSIC PERFORMANCE TRUST FUND, A PUBLIC SERVICE ORGANIZATION CREATED AND FINANCED BY THE RECORDING INDUSTRIES UNDER AGREEMENTS WITH THE AMERICAN FEDERATION OF MUSICIANS. THE GRANT WAS OBTAINED WITH THE COOPERATION OF LOCAL 427.

AUGUST 10, 3:30 PM

REDEX CROSS BEGINNING SAILING courses are offered each Quarter.

Two sailboats are available for check-out by members of the USFSP campus community. These boats are a RHODES 19 and a CAL 20. Both vessels are moored on the northwestern end of the Bayboro peninsula. Sailing equipment is stored in a nearby locker.

SKIPPER ELIGIBILITY

In order to be placed on the approved skipper's list for either the CAL 20 or the RHODES 19, an individual must pass both written and skill tests. The written tests may be taken at any time in the Activities Office. Skill tests are by appointment only. Contact the Dockmaster through the Activities Office. Skippers will also be required to demonstrate proficiency in using the outboard motor.

RESERVATION PROCEDURE

The boats are available for blocks of sailing time daily from 8 AM till sunset (generally 8 AM - 1 PM; 1 PM - sunset). All reservations must be made at least one day in advance through the Activities Office. If you wish to make weekend reservations, it's best to do so early in the week. Remember, you cannot reserve boats through Security.

CHECK-OUT/CHECK-IN PROCEDURE

Skippers are responsible for the boat, the equipment, and the safety of all passengers. Check IN and OUT at the Activities Office on weekdays or at the Security Station on weekends. The Coast Guard will be called immediately if a boat is taken out without authorization. Fill out appropriate forms in case of emergencies, and chart your destination on the nautical map. The combination to the sailing locker will also be given to you when you check-out.

INSURANCE

Be sure to watch the weather and check for small craft warnings. In case of inclement weather, boats will not be checked out, even if reserved. Our boat insurance covers another craft, if you should hit it, but not the RHODES, the CAL, or YOU! Remember, be careful, you're sailing at your own risk.

PLEASE HELP US KEEP THE BOATS IN TOP-NOTCH CONDITION BY HANDLING ALL EQUIPMENT WITH CARE AND BY REPORTING IRREGULARITIES OR DAMAGES IMMEDIATELY. THANKS.
In an effort to assist members of the USF/SP Campus community in supplementing academic growth and in developing new proficiencies, Student Activities will offer several low-or-no-cost Mini-Courses during Quarter I. These are NON-CREDIT classes.

Interested persons should sign up in the Activities Office as soon as possible to insure a place in the course. Fees, if needed, will be collected at the 2nd class meeting. For further information, please call Student Activities 898-7411 X253.

ROTC Establishes Center on Campus

The Army Reserve Officers Training Corps (ROTC) is establishing a center for St. Petersburg on the USF Bayboro Harbor Campus. Students attending any near-by college may enroll in the ROTC program as special students. Academic credit is granted by USF for ROTC Military Science classes on a dual enrollment basis. Special student registration is scheduled for Sept. 20-24 at the Bayboro Campus.

Since the establishment of this area's ROTC program at the University of Tampa in 1971, it has expanded to include USF, Hillborough Community College, Florida Southern College, Southeast Bible College and Polk Community College in Winter Haven--making it one of the largest in the nation. Further information is available from Major Denny Hodsdon at the St. Pete Campus, 898-7411 or from the University of Tampa.
The close cultural ties between Florida and its Latin American neighbors will be featured with a special exhibition of paintings and sculpture from Wednesday, September 1st through Friday, October 1st at the Museum of Fine Arts, 255 Beach Drive North, St. Petersburg.

The Bicentennial exhibition, "Latin American Horizons:1976" recognizes Florida's natural affinity to the South, its growing Latin population, and the fact that between the two Americas and Europe, ideas in art have moved back and forth on a plane that often transcends political realities. Assembled by Mrs. Leslie J. Ahlander, Curator of Contemporary Art of the Ringling Museum of Art, the exhibition includes works from each of the twenty-one Latin American nations. In the words of Mrs. Ahlander, it attempts to "present a broad and comprehensive view of the best contemporary art of the Latin American countries."

A sampling of artists includes: Matta, Botero, Zuniga, Lam, Merida, Coronel, Cuevas, Orozco, Riveria, Siqueiros, Tamayo, and Soto. In her catalogue introduction, Mrs. Ahlander points out the ease with which all the major art movements of recent years have been absorbed and transmitted across national boundaries. Indeed, some international artists such as Matta, Lam and Soto are usually associated with their places of residence rather than their native countries. For instance, Matta, a native of Chile who lives in Paris, is frequently thought of as a European artist. Indigenous subject matter, Surrealism, Monumental form and social realism suggest some areas where contributions from Latin American artists may have been strongest. Following the St. Petersburg viewing, the exhibition will travel to Fort Lauderdale. It has already been seen in Sarasota, Miami, and Pensacola.

Funding for the exhibition was made possible through a grant of the Florida Bicentennial Commission and the Southeast Banking Corporation of Miami. The Museum is open Tuesday through Saturday from 10 - 5; Sunday from 1 - 5. Guided tours are given at 2 P.M. on Thursday and Saturday. Admission to non-members is by voluntary donation. For more information, call 896-2667.

It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education, and the responsible use of leisure time is a goal toward which extra-curricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

Each student who has a majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization.

Once a student has used up his subsidy, he must pay regular ticket prices, as do faculty and staff members. All USF persons are eligible to buy tickets at our PURCHASE PRICE, which is often considerably lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>COUNTRY DINNER PLAYHOUSE</th>
<th>REGULAR COST</th>
<th>USF COST</th>
<th>SUBSIDY PRICE</th>
</tr>
</thead>
<tbody>
<tr>
<td>(on a given date)</td>
<td>$9.90 to $11.90</td>
<td>$6.00</td>
<td>as low as $1.00 by using $5.00 of your subsidy.</td>
</tr>
</tbody>
</table>

A student taking 7 hours (times 80¢ per hour) would have $5.60 subsidy.

Generally, the student must pay at least $1.00 per subsidized ticket. MOVIE THEATRE TICKETS ARE AVAILABLE FOR $1.25 EACH, BUT MAY NOT BE PURCHASED BY SUBSIDIZATION.

LISTING OF TICKETS-ON-SALE is posted at the Activities Desk.

SEXISM IN EDUCATION EXAMINED

"Are textbooks dangerous to our children's health?", asks Dr. Ellen Kimmel, Educational Psychology professor at the University of South Florida (USF). Her answers to this and other questions about sexism in education will be given at Female Awareness Counseling Enterprises (FACE) on Wednesday, September 29 at 8 p.m. She also will present an audio visual program, "Dick and Jane as Victims."

"We have to accept the fact that we can't change textbooks overnight,"
states Dr. Kimmel, "but there are things that parents, educators and the general community can do to provide an antidote to them." Dr. Kimmel believes that public education is the biggest hope for the next generation of women and that efforts should be concentrated to effect change in this institution. With four daughters, she expresses a strong hope that her work will lead to their getting a better deal.

Because Dr. Kimmel believes that women in all areas suffer from discrimination, especially in education, her particular focus is on their experience from pre-school through post-graduate studies right onto employment, either as faculty or administration. She has developed a course, "Women and the Educational Process," which she teaches in the USF Women's Studies Program. Formerly, she served as Director of University Studies at USF.

The public is invited to attend and join in the open discussion at FACE, Twin Towers, Building 2, Suite 16, 12945 Seminole Blvd. Largo.

ROTC Establishes Center on Campus

The Army Reserve Officers Training Corps (ROTC) is establishing a center for St. Petersburg on the USF Bayboro Harbor Campus. Students attending any near-by college may enroll in the ROTC program as special students. Academic credit is granted by USF for ROTC Military Science classes on a dual enrollment basis. Special student registration is scheduled for Sept. 20–24 at the Bayboro Campus.

Since the establishment of this area's ROTC program at the University of Tampa in 1971, it has expanded to include USF, Hillsborough Community College, Florida Southern College, Southeast Bible College and Polk Community College in Winter Haven—making it one of the largest in the nation.

Further information is available from Major Denny Hodsdon at the St. Pete Campus, 898-7411 or from the University of Tampa.

NEWS RELEASE LATIN AMERICA HORIZONS: 1976

St. Petersburg, Florida. The close cultural ties between Florida and its Latin American neighbors will be featured with a special exhibition of paintings and sculpture from Wednesday, September 1st through Friday, October 1st at the Museum of Fine Arts, 255 Beach Drive North, St. Petersburg.

The Bicentennial exhibition, "Latin American Horizons: 1976" recognizes Florida's natural affinity to the South, its growing Latin population, and the fact that between the two Americas and Europe, ideas in art have moved back and forth on a plane that often transcends political realities. Assembled by Mrs. Leslie J. Ahlander, Curator of Contemporary Art of the Ringling Museum of Art, the exhibition includes works from each of the twenty-one Latin American nations. In the words of Mrs. Ahlander, it attempts to "present a broad and comprehensive view of the best contemporary art of the Latin American countries."

A sampling of artists includes: Matta, Botero, Zuniga, Lam, Merida, Coronel, Cuevas, Orozco, Rivera, Siqueiros, Tamayo, and Soto. In her catalogue introduction, Mrs. Ahlander points out the ease with which all the major art movements of recent years have been absorbed and transmitted across national boundaries. Indeed, some international artists such as Matta, Lam and Soto are usually associated with their places of residence rather than their native countries. For instance, Matta, a native of Chile who lives in Paris, is frequently thought of as a European artist.

Indigenist subject matter, Surrealism, Monumental form and social realism suggest some areas where contributions from Latin American artists may have been strongest. Following the St. Petersburg viewing, the exhibition will travel to Fort Lauderdale. It has already been seen in Sarasota, Miami,
Funding for the exhibition was made possible through a grant of the Florida Bicentennial Commission and the Southeast Banking Corporation of Miami. The Museum is open Tuesday through Saturday from 10 - 5; Sunday from 1 - 5. Guided tours are given at 2 P.M. on Thursday and Saturday. Admission to non-members is by voluntary donation. For more information, call 896-2667.

SUBSIDIZATION

It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education and the responsible use of leisure time is a goal toward which extracurricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

Each student who has a majority of hours on the St. Petersburg Campus will be allocated 80 cents per credit hour to be applied toward subsidization.

Once a student has used up his subsidy, he must pay regular ticket prices, as do faculty and staff members. All USF persons are eligible to buy tickets at our PURCHASE PRICE, which is often considerably lower than the regular retail price. For example:

**COUNTRY DINNER PLAYHOUSE**

(on a given date)

(Figures are for one ticket, including dinner and show.)

| REGULAR COST | $9.90 to $11.90 |
| USF CITY COST | $6.00 |

Some other places subsidized tickets may be purchased for include: Bayfront Center, Sunset Golf and Country Club, Asolo Theatre in Sarasota. SUBSIDY PRICE as low as $1.00 by using $5.00 of your subsidy. A student taking 7 hours (times 80 cents per hour) would have $5.60 subsidy.

Generally, the student must pay at least $1.00 per subsidized ticket. MOVIE THEATRE TICKETS ARE AVAILABLE FOR $1.25 EACH, BUT MAY NOT BE PURCHASED BY SUBSIDIZATION. LISTING OF TICKETS-ON-SALE is posted at the Activities Desk.
