DAILY CARE SERVICES (CONTINUED)

PROCEDURE
1. The parent, who must also be a full-fees-paying student on the St. Petersburg Campus, will make application for the Subsidy Program in the Activities Office. The first 30 students who apply will be guaranteed reimbursement at a rate of 50% of their cost, not to exceed $50 per quarter regardless of the number of children that parent enrolls. An additional 10 names will be accepted to replace any of the first 30 who do not comply with item #2.

2. Within one week of their initial application, each student must supply proof that his/her child has been accepted at a licensed day care center.

3. Upon presentation to the Director of Student Services of a paid receipt from the day care center listed on his application, the student will be paid 50% of that amount using the University process of paid invoices. That reimbursement amount will be recorded in his file and will not exceed a cumulative total of $50 for any given quarter.

4. This plan provides for a maximum expenditure of $1,500 per quarter and would benefit not less than 30 students. If, at the end of the quarter, less than $1,500 has been spent in reimbursements, the remaining funds will be added to the $1,500 allocation for the next quarter in order to increase only the number of students who would be allowed to sign up. At no time would the individual allocation upper limit exceed $50 per quarter. This procedure would apply for subsequent quarters.

5. All students who apply will be asked whether or not they receive financial aid from USF. If so, the names will be provided to the Office of Financial Aids (Tampa) where any necessary adjustment will be made.

6. The reimbursement process will take place the last week of each quarter.
STUDENT-TO-STUDENT MEMO BOARD

A STUDENT-TO-STUDENT MEMO BOARD is located in the South Lounge of Building B, next to the Calendar of Events. Along with sections entitled FOR RENT, FOR SALE, etc., is an area devoted to CHILD CARE INFORMATION.

**SUBSIDIZATION POLICY**

It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education, and the responsible use of leisure time is the goal toward which extra-curricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

Since only FULL-FEES PAYING STUDENTS contribute a portion of their tuition to Student Activities, only they may purchase tickets at SUBSIDIZED RATES. Each FULL-FEES PAYER will be allowed to receive up to $12.00 subsidy per Quarter upon PRESENTATION OF PROOF OF FULL-FEES PAYMENT AND STUDENT ID at the time of purchase. Students must be full-fees paying for the Quarter they receive subsidy and have 9 or more-hours on the St. Pete Campus.

Once a student has used up his subsidy, he will have to pay regular ticket prices, as do part-time students, faculty, and staff. All USF persons are eligible to buy tickets at our PURCHASE PRICE, which is often considerably less than the regular retail price. For example:

- **COUNTRY DINNER PLAYHOUSE**
  - REG. COST: $8.90
  - USF COST: $5.00
  - SUBSIDY PRICE: as low as $1.00 by using $4.00 subsidy

Generally, the student must pay at least $1.00 per subsidized ticket. MOVIE TICKETS MAY NOT BE PURCHASED BY SUBSIDIZATION.

Tickets-on-sale listing at Activities Desk.

---

**SUBSIDIZATION (continued)**

In the past, FULL-FEES PAYERS have applied subsidy (discount) to:

- BAYFRONT CENTER concerts, plays, hockey games, etc.
- Sunset Golf and Country Club
- Asolo Theatre in Sarasota
- Country Dinner Playhouse (on specific date)
- TOM SAWYER BOAT CRUISE

Consult the marquee behind the Activities Desk for list of tickets currently on sale.

**MOVIE TICKETS**

All students, faculty, and staff may buy ABC FLORIDA STATE THEATRE TICKETS, $1.00 per ticket. These tickets can be used at any time (except advertised special attractions) at the following St. Petersburg area theatres: PLAZA I, PLAZA II, DOLPHIN and STATE. (There are other cinemas in Tampa, Clearwater, and throughout Florida. Consult those newspapers for ABC Florida State Theaters.)

There is no limit as to how many tickets one may purchase. SUBSIDIZATION MAY NOT BE USED.

**MAGAZINES IN THE LOUNGE**

Assorted magazines may be utilized in the Lounges of Building B. These include:

- NEWSWEEK
- POPULAR PHOTOGRAPHY
- McCALL’S SPORTS ILLUSTRATED
- MEDIA RAMPARTS
- INTELLECTUAL DIGEST
- SATURDAY REVIEW
- ST. PETER TIMES

**PHOTOGRAPHERS**

EMERGENCY MEDICAL SERVICES

If you are a full time student at St. Petersburg Campus and become ill or are injured while on campus, certain medical services can be provided through the school without cost to you.

1. If you should become ill while at school and want to go home but have no transportation, this can be provided for you.

2. In an emergency you can be taken by taxicab or ambulance to either Mound Park Hospital or the Suncoast Medical Clinic for treatment. The University will pay for transportation and up to $15.00 of the bill for emergency services. PLEASE NOTE: Off-campus medical care is your own financial responsibility unless authorized prior to treatment by the Bay Campus Administrator. Please contact Student Affairs Office.

3. As emergency treatment occasionally costs more than $15.00, it is wise to buy the coverage under the Student Group Health Insurance Plan. This insurance, pays up to $2,000.00 for hospitalization and doctor's bills, and all ordinary charges for treatment in a hospital emergency room.

4. If you are hospitalized the University will pay, upon application to the Student Health Service on the Main Campus, up to $75.00 of your hospital bill and $25.00 of your Doctor bill, if these bills are not covered by any insurance.

5. If you have the Student Group Health Insurance and wish to file a claim, the St. Petersburg Campus Business Office has the necessary forms and information to help you.

6. All of the clinic and infirmary services of the Student Health Service on the Tampa Campus are open to you if you should wish to use them.

CAST: TOM COURTEENAY, ALFRED BURKE

COLOR Rated G

ONE DAY IN THE LIFE OF IVAN DENISOVICH, from the novel by Alexander Solzhenitsyn (1970 Nobel Prize for Literature) outlines the events of one day—one especially good day—in the life of a Siberian labor camp prisoner during the Stalin regime. This international production is the moving story of "man's inhumanity to man," and one man's indomitable will to survive. It stars Tom Courtenay (BILLY LIAR, OTLEY, DR. ZHIVAGO) as Ivan, and was filmed in the sub-zero cold at Roros near the Arctic Circle in Norway.

"GLEN CANYON PLUS KEY TO THE FUTURE"
Glen Canyon was a uniquely beautiful stretch of the Colorado River that now lies beneath the surface of man-made Lake Powell. The film depicts the canyon before it was destroyed and states that the loss could have been avoided by using alternate methods for power generation. KEY TO THE FUTURE, a film from the Bureau of Reclamation, presents a defense of Lake Powell and states that hydroelectric dams are necessary for economic reasons. The two films offer a pro and con perspective. Don't miss it.

SAOUNDER is the simple story of a black family's struggle for survival during the Depression in the deep south. Performed with authenticity and authority by Cicely Tyson and Paul Winfield as the parents and Kevin Hooks as the eldest son, SAOUNDER is more than a period piece or a statement on race; it is an encouraging vision of human strength and love. The film is adapted from the Newberry Medal winning novel.

THE CHASE

MAY 24
COLOR Rated PG

CAST: MARLON BRANDO, JANE FONDA, ROBERT REDFORD

Directed by Arthur Penn, THE CHASE is a prototype of his own personal style in that it has its share of violent-action, the truth and drama of the film rest in the individual characterizations. Brando is a law officer in a town which berserk, emotionally and morally, when an escaped convict returns. His pursuit of the man, whom he believes to be a victim of circumstances, is staged in full view of the community and its demand for blood-letting.

Arthur Penn also directed THE MIRACLE WORKER, BONNIE AND CLYDE, and LITTLE BIG MAN.

AMERICAN CIVIL LIBERTIES UNION (ACLU)

Its purpose is to serve these ends: to uphold the guarantees of freedom of speech, press, assembly, religion, and thought as provided in the United States Constitution and the Bill of Rights and to uphold the Florida State Constitution and Declaration of Rights; to uphold due process of law and equal protection under the law as provided by the Constitution; to encourage an appreciation of our basic liberties; to perpetuate, through a program of education and positive action, respect and devotion for freedom and liberty.
FLYING CLUB

Aviation enthusiast? The Flying Club offers its members an opportunity to learn to fly and attain pilots ratings at affordable prices. The group maintains relations with three local Fixed Base Operators and have five planes at its disposal for discount rates. Ground school, films, and seminars, to help pilots pass the written flight exam and to maintain proficiency, are held periodically throughout the year. Tours of F.A.A. facilities have also been conducted.

The St. Pete organization has shared fly-ins with the club on the Tampa Campus. The Flying Club has, in the past, offered free rides to students at Albert Whitted Airport on announced dates.

FLORIDA STUDENT EDUCATION ASSO.

FSEA is a professional organization designed to introduce potential teachers and interns to the many facets of being an educator. The benefits of FSEA include $200,000 liability insurance to intern teachers, reduction in auto insurance, statewide job information service, and free publications in the field of education. And there are many more advantages.

A yearly dues covers both state and national requirements.

HISTORY COMMUNITY

The purpose of the History Community is to enable students to pursue more readily their interest in historical, cultural, and intellectual matters. The Community will achieve this by sponsoring guest authorities, films and discussions on subjects both of current and historical interest.

MANAGEMENT ASSOCIATION

The primary goals of the Management Association (MA) are to stimulate members' interests in the study of management, to promote interest in the field of management as a profession, and to be of service to the University of South Florida and the community.

All students majoring in management or interested in the field are encouraged to join. Membership dues is $2.00 per Quarter. Programs include several luncheons with guest speakers, job interviews for prospective management graduates, projects for community awareness of the management program at USFSP.

Last year MA sponsored a Christmas Project and Toy Closet in conjunction with the Division of Family Services. Individuals within the USF community bought new toys to be given to orphans, victims of child abuse, and other youngsters placed in DFS' foster homes. MA provided coffee and donuts for participants.

The speakers are generally from varied aspects of business but usually associated with either private, governmental, or public accounting areas.

The club also sponsors a book consignment on campus to provide used books for students.

Additionally, SAO members trek to St. Pete Junior College each semester to counsel prospective USFSP students, mainly accounting majors, on course requirements and curriculum as well as facilities and advantages of the campus. SAO also works with the Small Business Administration in helping to counsel small businesses in accounting practices.

Membership dues is $2.00 per Quarter.

STUDENTS INTERNATIONAL MEDITATION SOCIETY (SIMS)

The purpose of SIMS is to help each student to expand his conscious mind, unfold his mental abilities, and develop the full use of his creative intelligence in all fields of endeavor.

These goals approached through the use of a proven, safe and natural technique called Transcendental Meditation.

SIMS on the St. Petersburg Campus will hold meetings at regular intervals for members, as well as make available informative lectures for the campus community. From time to time we will show video tapes and movies.
