If you do not want to set up an appointment, but would like to ask questions relative to graduation requirements or course evaluations, please feel free to stop by.

We will be in the North Lounge from 10:00 AM - 5:00 PM.

Please make appointments by noon on Tuesday, Dec. 3.

The Foster Children's Christmas Project for Pinellas County is doing well; however, because of poor economy responses from many organizations, clubs, and individuals are not as good as last year.

Because of unfortunate circumstances, approximately 400 children in Foster, Group, and Shelter Homes in Pinellas will spend Christmas without their parents. Foster parents cannot bear the burden alone as many of them have several children of their own.

The generosity of the public is essential. If you can help, please call 347-9319 or make a check payable to Foster Children's Christmas Fund and mail it to First Bank of Gulfport, 2001 - 49th St. S., Gulfport, Fls. 33707.

Beta Sigma Phi sorority is coordinating the project in conjunction with the Division of Family Services.
