CROW’S NEST

WE NEED YOUR HELP!

CROW’S NEST is printed each Tuesday by the USF St. Pete Campus Student Activities Office. Pertinent information or announcements may be submitted to the Activities Desk. DEADLINE is Thursday of each week. Please leave your name and number on information submitted in case more clarification of material is needed.

Programs, activities and facilities of the University of South Florida are available to all on a non-discriminatory basis, without regard to race, color, creed, religion, sex, age, or national origin. The University is an affirmative action Equal Opportunity Employer.

FROM THE LIBRARY

It’s nearing the end of the quarter and all books which have been checked out during this quarter are due at the latest on the first of June. All books which have not been returned by that date will be overdue and a fine of 25¢ a day will be charged for each book. This applies to the regular books which are ordinarily free of charge if they are returned late.

The charges for overdue Reserve material is the same as during the whole quarter: it varies depending on the length of time the particular material is checked out for. But it gets pretty steep — 25¢ each half-hour for an overnight book.

Overdue books returned in the bookdrop are not exempt from a fine. If the fine is not paid immediately, your name, social security number, and amount of fine are sent to Finance and Accounting Dept. and it is entered on your record. This could keep seniors from receiving their diplomas.

LORETTA LOVELY

Bill, where’s my beer cooler??

Lamar

Eric, do you really have to go to Tampa to get a date?

Loretta would like to advise a certain C.E.B. to stop being such a tightwad and have his fling in Europe. After all, you only live once, Chuckie.

Ann: Loretta sympathizes. Motherhood can be frustrating at times!!!

Hooray for the M.A. You have performed many admirable functions since your inception.
