LORETTA LOVELY

Welcome: the time is swiftly upon us!
Congrats Bill Cole—we hear you are now newly employed!
Mr. Thrush on wheels? Yep, his new 10-speed Fuji. (Mrs. Thrush has a new bicycle, too!)
Ruth—so now we know your secret—spare hair!
Pat Archer: we will miss you—sniff.

Ms. Snow—you are "balding" again?
Ms. Christensen—we understand you've been typing an "epic"? (or is it a tragedy?) No comment! (Thanks.)
The MANAGEMENT ASSOCIATION is assisting the Division of Family Services in providing new toys for children who will be placed in foster homes. Some of these children are orphans, but most are those taken from their parents because of child abuse. They generally have few possessions and no toys, except perhaps somebody's rejects.

MA will collect toys and pass them on to DFS for distributing to the children as needed.

However, the success of this project depends upon interested students, faculty and staff members.

If you have a big heart and a few cents, we need you!

TUESDAY, MAY 22 - BRING TOYS TO ACTIVITIES DESK!

THANKS!

FRIDAY EVENING FILM SERIES
PRESENTS

BONNIE A CLYDE

WARREN BEATTY FAY DUNAWAY
GENE HACKMAN MICHAEL J. POLLARD

"Bonnie and Clyde" has become an undisputed milestone in film making. Controversial enough to make the critics damn and then praise it. "Bonnie and Clyde" won two Academy Awards including Best Picture of the year. Gene Hackman erupted on the American screen like a volcano in his characterization of Clyde's weak willed brother.
while Warren Beatty and Fay Dunaway are superb in their characterizations of the ill-fated pair.
