The first film in Bergman's religious trilogy, THROUGH A GLASS DARKLY chronicles the pathetic plunge of a young woman into madness. Karin, having read in her father's diary that she is an incurable schizophrenic, sooves through a series of compulsive acts and visions into a world of hallucinations without God. Bergman has crafted with technical lucidity the moving psychological drama of a descent to insanity.

"A powerful personal experience that makes one's senses reel. Through Harriet Andersson as Karin, one sees the mysteries that move within the dark glass of the soul."

-NEW YORK TIMES-

"Round all four performers, like summer lightning, plays the fire of Mr. Bergman's intelligence and artistry in a testament that consists of many beautiful images and a handful of heartbreaking words."

-THE NEW YORKER-

"Eloquent, poetic and worshipful."

UNIVERSITY OF SOUTHERN FLORIDA, ST. PETERSBURG CAMPUS

Emergency Medical Services

If you are a full time student at St. Petersburg Campus (carrying seven or more credit hours) and become ill or are injured while on campus, certain medical services can be provided through the school without cost to you.

1. If you should become ill while at school and want to go home but have no transportation, this can be provided for you. The receptionist in the Administration Building lobby will be able to help you.

2. In an emergency you can be taken by taxi or ambulance to either Hound Park Hospital or the Suncoast Medical Clinic for treatment. The University will pay for transportation and up to $15.00 of the bill for emergency services. PLEASE NOTE: Off-campus medical costs are your own financial responsibility unless authorized prior to treatment by the On Campus Advisor. The receptionist will know how to obtain emergency authorization.

3. As emergency treatment occasionally costs more than $15.00, it is wise to buy the coverage under the Student Group Health Insurance Plan. This insurance pays up to $2,000.00 for hospitalization and doctor's bills, and all ordinary charges for treatment in a hospital emergency room.

4. If you are hospitalized, the University will pay, upon application to the Student Health Service on the Main Campus, up to $75.00 of your hospital bill and $25.00 of your Doctor bill, if these bills are not covered by any insurance.

5. If you have the Student Group Health Insurance and wish to file a claim, the St. Petersburg Campus Business Office has the necessary forms and information to help you.

6. All of the clinic and infirmary services of the Student Health Service on the Tampa Campus are open to you if you should need to use them.
