One of the greatest frontier adventures of recent years, \textit{Jeremiah Johnson} is the gripping tale of an ex-soldier who abandons civilization during the 1830's and learns to survive as a mountain man in the wilderness of the Rockies. Robert Redford portrays a man fighting for survival in the bitter, isolated mountains. Near starvation his first winter, Jeremiah encounters Bear Claw (Will Geer), mighty hunter of Grizzly bears, who becomes his teacher and guide. Using spectacular Utah locations, director Sydney Pollack beautifully captures the hazards and rewards of the trapper's solitary existence. "an uncommon extraordinary appealing film experience. It does not so much reveal a way of life as thrust us inside it. A movie which is a labor of love somehow carries an aura which is unmistakable" Charles Champlin, Los Angeles Times".

\textbf{TOM TITO ELECTED SAC CHAIRPERSON}

Tom Tito, a senior in Political Science used his political expertise to gain victory in the Student Affairs Committee Election for Chairperson. Totals and percentages are as follows:

- Tom Tito: 133 votes (53.6%)
- Henry Bonanno: 87 votes (35.1%)
- Mike Sandall: 16 votes (6.5%)
- Write-in: 12 votes

The write-in votes were votes for various people on and off campus, notably Gerald Ford and Snoopy. Voter apathy on this campus was apparent as only 12.93% of the student population voted. The primary reasons probably being a lack of information about the candidates and some students not being aware that they were eligible to vote.

The students owe a large thank you to the candidates who ran and were willing to accept a job that is normally done with little thanks or recognition. Congratulations, Tom.

\textbf{STUDENT I.D.'S}

The use of USF activities on all campuses is becoming more and more dependent upon proper identification by student ID cards.

As academic scheduling of Audio Visual personnel does not permit "drop in" appointments, ID cards can be made on Fridays in the Audio Visual office in Bldg. A. If you do not have a student ID card, please see Mr. Thrush on any Friday.

With the exception of ID cards being made during Registration, Fridays will be the normal day for this activity through the end of the academic year.

\textbf{STUDENT AFFAIRS COMMITTEE (SAC) MEETING...}

\textbf{DATE:} Friday, Feb. 4, 1977
\textbf{TIME:} 9:00 a.m.
\textbf{PLACE:} North Lounge, Bldg. 8.

The students owe a large thank you to the candidates who ran and were willing to accept a job that is normally done with little thanks or recognition. Congratulations, Tom.
A tiny piece of Florida's West Coast will return to the Middle Ages for an afternoon when the Ringling Museum and New College of the University of South Florida stage their second annual Medieval Fair Feb. 6.

Open to the public without charge, the event will recreate on the bayfront land of the adjoining institutions in Sarasota a complete medieval village square with all of the entertainment, crafts, special foods, and costumed citizens of the period.

The fair, which last year drew more than 5,000 persons is held to involve people of all ages in an unusual educational experience by recreating for them the period lifestyles and customs.

Fair organizers promise there will be theater troupes, acrobats, dancers, jugglers, equestrian events, madrigal singers, strolling musicians, swashbucklers, puppet shows, minstrels, beggars, clowns and other entertainers in the era.

All performers and staff will be dressed in period costumes and audience members are invited to participate. The fair committee offers free advice on costume details.

Potters, leatherworkers, woodcarvers, basketweavers, candlemakers and other craftsmen representative of the medieval period have been invited to set up their shops at the fair.

The fair begins at 1 p.m. and is scheduled so that there is a continuous round of events from the opening ceremony to the royal grand procession shortly after 5 p.m.

Various groups will stage contests in mounted and dismounted jousting, archery, swordfighting, and other martial arts.

Even the food will be representative of the Middle Ages as booths will offer hot meats, smoked fish, meat pies, stews, breads, cheeses, spiced lentils, vegetables, and fruits.

The Community Blood Bank is a non-profit organization that operates on a 100 percent voluntary basis. It supplies the total blood needs for nine major hospitals in the area.

The Blood Bank needs the support of every eligible donor between the ages of 17 and 66. Unless more people become regular donors, the supply will not keep pace with the growing demand for blood. Someday your life may depend on its availability. To assure that blood will be there when you need it, give blood now and encourage others to become voluntary blood donors.

The Community Blood Bank's Family Blood Plan assures the blood needs of your entire family. One donation relieves the burden of finding replacement donors should any member of your family need blood. Protection lasts one full year from the time of enrollment and may be renewed annually with just one donation per year.

The Community Blood Bank will be on campus on Wednesday, February 16, 1977.

"UNCLE SAM" appeared in Harper's Weekly in 1869 (and in political cartoons as early as 1850). His origin seems to go back to Samuel Wilson, a government inspector who stamped his initials on meat going to men fighting in the War of 1812. Wilson's "U.S." naturally became associated with the abbreviation for our country's name, and men came to think the meat "came from Uncle Sam." Later, he became a symbol of the United States which had immediate recognition anywhere in the world.

**DISTINGUISHED TEACHER, SCHOLAR NOMINATIONS OPEN TO COMMUNITY**

Nominations for the 1977 Distinguished Teacher and Distinguished Scholar may be made, with documentation, by any member of the USF community.

Nominations for each award should be submitted to the Dean of the College with which the nominee is connected in time for the Dean to submit the documentation to the Honors and Awards Council by March 1. Dr. F.W. Carbonell, MDN 1032, is the Chairperson of that committee.

The Distinguished Teacher Award will be given for outstanding quality and effectiveness in teaching within any discipline of the University. It is recommended that nominations include supporting evidence through faculty colleagues and including evaluations of the nominee's effect on both previous and current students.

The Distinguished Scholar Award will be given in recognition of creative scholarly achievement within any discipline of the University. It is recommended that supporting evidence, including (1) a comprehensive curriculum vitae, (2) a list of scholarly publications, and (3) assessments of the nominee's standing in the scholarly community by recognized authorities, accompany each nomination.

Guidelines for submitting nominations have been sent to each Dean and Department Chairperson.
