It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education and the responsible use of leisure time is a goal toward which extracurricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

Each student who is taking the majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization. If regular ticket prices are as do faculty and staff members. All USF persons are eligible to buy tickets at our PURCHASE PRICE, which is often considerably lower than the regular retail price. For example:

Howard Zinn (continued from page one)

His articles have appeared in such journals as The Nation, The New Republic, Harper's Magazine, Ramparts, the New York Times, and The Civil Liberties Review. Additionally, Zinn has lectured extensively throughout the United States on various controversial topics, including civil disobedience, the new left, the civil rights movement and the New South, the trial of Daniel Ellsberg and the Vietnam war.

Formerly Chairperson of the history department at Spelman College in Atlanta, Georgia, Dr. Zinn has served as an advisor to the Student Nonviolent Coordinating Committee (SNCC). He was also a leading activist in the anti-war movement. In 1968, he flew to Hanoi with Father Daniel Berrigan to receive the first three American fliers released by North Vietnam.

Dr. Zinn is currently a professor of political science at Boston University, where he has been since 1964. As a participant in many controversial causes, Dr. Zinn, both as academian and as concerned citizen, is amply qualified to address the issue of freedom of speech.

A reception for Dr. Zinn will be held following his evening address. Questions from the audience are invited.

Siddhartha

Based on the novel by Hermann Hesse

Filmed in India, it tells an epic story of man's search for self, through realms of experience of the flesh and the spirit. "Both in music and visible beauty the picture is a continuing delight," Archer Winsten, New York Post. "A special film for special audiences, for devotees of Hesse's novels, for admirers of the exotic, and for everyone who wants to be adventurous in film going." Gene Shalit, WNBC-TV.
