On this date at approximately 6:51AM a male USF staff member reported a Vehicle Burglary and Simple Battery in progress at the corner of 6 A/S and 3 S/S. It was reported that while the the staff member was attempting to roll up his window and preparing to exit his vehicle, an unknown white male reached in his open window and grabbed him. The suspect was acting irrational, and demanding the staff member get out of the vehicle and give him his name, which he repeatedly demanded over and over again. The staff member was able get free from the suspect and roll his window up, at which time the suspect began pounding on the closed window with both his fist.
