Graduation Celebration '77

Dear Graduate,

As a graduate of USF/St. Petersburg (Quarter I, II, III, IV - December '76 to August '77) you are a special person! You deserve the best and that's what we are going to provide you at "Graduation Celebration '77". This gala evening will include dining, drinking, dancing and ceremony. And for graduates, it's FREE!

The celebration will be held in the Grand Ballroom of the St. Petersburg Hilton Hotel (333 1st St. South) on the evening of June 10, 1977. Cocktail time is at 7:00 and dinner will begin at 7:30, followed by the speeches and award ceremony. (Cocktails will be $1.35 and beer will be $1.00).

The banquet dinner will feature chicken cordon bleu, chef's salad, green beans almondine, baked potato, black walnut cake dessert, with rolls, butter and beverage. Wine may also be purchased for table service during the dinner. For those desiring it, a non-smoking section will also be available.

After dinner, the ceremonies will begin. These include presentation of certificates (not diplomas) to graduates, the senior awards, and an address by the guest speaker. Live music will be provided for your entertainment and dancing pleasure.

For your convenience, the Hilton Hotel is offering discount rates for rooms for graduates and guests. You may inquire at the Activities Office, 893-9129 to make these arrangements.

"Graduation Celebration '77" is free for graduates, BUT YOU MUST COME TO THE STUDENT ACTIVITIES OFFICE TO PICK UP YOUR FREE TICKET. Faculty, staff and other guest tickets may be purchased for $5.00. The R.S.V.P. deadline for both guests and graduates is June 1.

If you know of any graduate who has not received notice of this event, please inform the Student Activities office. Our mailing list is not complete at this time.

Theft of art exhibits at USF/St. Petersburg!

Unfortunately, the very fine art exhibit in the lobby of Bldg. A had to be cut short recently because of the theft of 3 items of the display. Although there is nothing to indicate that the items were taken by an individual associated with the University, neither is there any information to the contrary. It is, however, difficult to believe that someone completely unfamiliar with the University, and unaware of the exhibit, would come on campus on a Sunday evening and at random pick up and take 3 pieces of the exhibit. If anyone has any information pertinent to the theft of these items, please report it to Sgt. Miller's office immediately.

The USF men's softball team won their first game of the season Wed. May 18. They defeated the team from our neighbors, the Department of Natural Resources with a score of 18-8.  

The "BIG GREEN MACHINE" came out and collected 25 hits in 36 at bats. Last week's player of the week, Mike Burton, again went 4 for 4 and Casey Jones had a 3 for 3 night.

This week's win was a total team effort and the entire team deserves the title of "player of the week".

Congratulations, guys.

We hope that the rest of the season will be as bright as it was Wednesday night... and that Greg Scott's ankle recovers!

The Museum of Fine Arts presents a series of summer workshops for children in grades three through six, to be conducted in June and July. Four cultural periods represented in the Museum’s collection are the basis for this program. Each series will consist of a four day unit of two hours each day. The first week will be from June 21 to June 24 and is entitled THE AGE OF HEROES. It will be concerned with the classical periods of Greece and Rome, myths, and a fantasy trip to Mt. Olympus. During the second week, June 28 to July 1, the Orient will be studied in a unit entitled THE MYSTERIOUS EAST. An imaginative elephant-back caravan will visit ancient civilizations and become a part of the legends of Buddha, Siva, and Mahavira. From July 5 to July 8 will be a workshop on the pre-Columbian period entitled BEFORE WE WERE AMERICA, when the land and people had many names. Participants will be an Inca for a day, or an Aztec, or maybe a Mayan. The last of the series will be from July 12 to July 15 and is entitled OUR ENGLISH ROOTS, during which we will pretend we were in England while we were having our Revolution and have an imaginary look around London.

Each four day unit will use legends, crafts, games and other activities to make the cultural period come alive. The children will have an opportunity to feel at home in the Museum by participating, touching, doing, and acting out life from these important chapters of art history.

The fee for each week is $7.00 for members and $10.00 for non-members. Each group is limited to ten students and will meet from 10:00 a.m. until Noon, Tuesday through Friday. The units will be conducted independently and reservations will be accepted for any week in the series. Museum docent and art educator Carol Abernathy will conduct the sessions. For further information call Angie Grady, Curator of Education, weekdays at the Museum, 823-3644.

USF/ST. PETE BEATS
DEPT. OF NAT'L RESOURCES
IN MEN’S SOFTBALL

The USF men's softball team won their first game of the season Wed., May 18. They defeated the team from our neighbors, the Department of Natural Resources, with a score of 18-8.

The "BIG GREEN MACHINE" came out and collected 25 hits in 36 at bats. Last week's player of the week, Mike Burton, again went 4 for 4 and Casey Jones had a 3 for 3 night.

This week's win was a total team effort and the entire team deserves the title of "player of the week."

Congratulations, guys.

We hope that the rest of the season will be as bright as it was Wednesday night...and that Greg Scott's ankle recovers!

winning streak continues...

Children's Summer Programs

The Museum of Fine Arts presents a series of summer workshops for children in grades three through six, to be conducted in June and July. Four cultural periods represented in the Museum's collection are the basis for this program.

Each series will consist of a four-day unit of two hours each day. The first week will be from June 21 to June 24 and is entitled THE AGE OF HEROES. It will be concerned with the classical periods of Greece and Rome, myths, and a fantasy trip to Mt. Olympus. During the second week, June 28 to July 1, the Orient will be studied in a unit entitled THE MYSTERIOUS EAST. An imaginative elephant-back caravan will visit ancient civilizations and become a part of the legends of Buddha, Siva, and Mahavira. From July 5 to July 8 will be a workshop on the pre-Columbian period entitled BEFORE WE WERE AMERICA, when the land and people had many names. Participants will be an Inca for a day, or an Aztec, or maybe a Mayan. The last of the series will be from July 12 to July 15 and is entitled OUR ENGLISH ROOTS, during which we will pretend we were in England while we were having our Revolution and have an imaginary look around London.

Each four-day unit will use legends, crafts, games and other activities to make the cultural period come alive. The children will have an opportunity to feel at home in the Museum by participating, touching, doing, and acting out life from these important chapters of art history.

The fee for each week is $7.00 for members and $10.00 for non-members. Each group is limited to ten students and will meet from 10:00 a.m. until Noon, Tuesday through Friday. The units will be conducted independently and reservations will be accepted for any week in the series. Museum docent and art educator Carol Abernathy will conduct the sessions. For further information call Angie Grady, Curator of Education, weekdays at the Museum, 823-3644.
