Some Words About Overdues, Fines, and Assorted Matters, to Answer a Few Questions Which You Have Asked Since the First Notice Concerning the New Fines Policy Appeared:

All circulating books means any book which is not: a) a Reference book, b) a magazine, journal, or newspaper, c) a book on Reserve, or d) material which is located in the pamphlet file.

Reference books, magazines, journals, and newspapers must be used in the library and a copying machine is provided for you to use to make copies of any pages you may need.

Material in the pamphlet file may be checked out at the Reference desk, usually for a one-week period. This file is just being set up so there is not too much material available for you yet. Sorry.

Books on Reserve may be checked out of the library for varying periods of time, except those books which the teachers put on a 2 hour time limit.

All other books will be checked out for a period of two weeks. This means that there is a change in the amount of time you may keep the books in the juvenile section and the books for recreational reading which are on the standing display rack in the periodical study room. There will be a limit on the number of books in both these categories which you may check out at a time, due to the fact that our supply in both areas is limited. The limit will be 6 juvenile books and 2 recreational books at one time.

More later.

The Mad Mind

This is a new and possibly regular feature of "The Crow's Nest", that is, if they don't put me in a rubber room first. Here it is, the first installment of "The Mad Mind".

A recent article in the Sunday Parade Magazine brought out the fact that in Florida it is against the law to take a bath in the nude. Now many of you here are under arrest?

Hell has frozen over! That's right, the small town of Hell, Norway has frozen over. So all persons who made bets on that day, it is time to pay your debts.

When the Green Hornet was on radio, his partner, Cato became a Phillipino. For some strange reason on Dec. 7, 1941, Cato became a Phillipino.

MATH MAJORS: Remember the golden rule, according to Amarillo Slim; "The man with the gold makes the rules".

It seems that the marine science people wanted to go into competition with Ted Peter's Smoked Fish. Only somebody goofed and they smoked building "E" instead of the fish.

FROM: Donald A. Haney, Director
Student Affairs, St. Petersburg Campus

The St. Petersburg campus of the University of South Florida welcomes you into the USF student community. We hope you will take the time to visit the "St. Pete" campus and check out its programs, resources and activities. We think our faculty and our academic programs are both outstanding and we are confident that the planned St. Pete campus expansion program will bring an even higher quality education program to the Pinellas community in the future. We hope you will become a part of that goal.

We in the Student Affairs department at the St. Pete campus will be more than happy to answer any questions you might have concerning this campus and its programs. If you have any questions concerning Student Affairs, Testing and Counseling, Financial Aid, Veterans Affairs, etc., please contact us at 898-7411, X 210, 264 and 253. Our immediate aim is to make the St. Petersburg campus grow with students from the Pinellas community.

STUDENT AFFAIRS COMMITTEE
ST. PETERSBURG CAMPUS STUDENT GOVERNING GROUP

The Student Affairs Committee is the student governing group on the St. Pete campus. It was designed by students to incorporate all areas of the campus community including students, faculty and staff. Composition includes elected representatives from each student organization on campus as well as elected members at large from the student populace. Additionally, five faculty members are appointed by the Dean. Meetings are held two or three times as necessary throughout the quarter, generally on Friday mornings.

The Student Affairs Committee is that representative group for receiving and communicating the needs of the campus community. It has the task of recommending appropriate response to those same requests. Its major responsibility is to review and recommend the Activity and Service fee budget for each fiscal year. $2.14 of each quarter hours tuition goes to Activities and Services according to Florida state law. These monies support student service operations on campus, such as financial aid, job placement, student activities, recreational complex, swimming pool, movies, etc. In order to insure that money generated by St. Pete campus students is retained and expended on the St. Pete campus, your participation is essential. You can participate in an official capacity or simply as an interested student who attends meetings. Even if you cannot attend meetings, we welcome your input through the Student Activities office.

We are currently formulating the A & S budgets for student Activities and organizations. The first meeting will be held in mid January with time and date to be announced. We hope to see as many of you there as possible.

APATHY RUNS RAMPANT AS ONLY 2% VOTE ????

Doesn't sound very good does it? Well it could happen if you don't vote in the upcoming elections Jan. 26 and 27. The election will be for Student Affairs Committee Chairperson. The Chairperson coordinates student government on this campus. This individual is instrumental in deciding how your activities and service fee dollars are being spent on this campus; an important position, as St. Pete students generate approximately $118,000 a year in A & S monies. This money is in turn allocated to student organizations, film series, recreation complex, activities office, subsidation, day care and other services to the student.

There will be candidate's days on the 19th and 20th of Jan. at which all candidate's will speak and be available to answer questions from the students. So please vote on election day and if you wish, go to work for the candidate of your choice.

CENSORSHIP IN THE PUBLIC SCHOOLS: WHO SHALL DECIDE?

January 14-15

Censorship in the public schools will be discussed at a free public forum Jan. 14 and 15 at USF, St. Petersburg.

Political activist Eldridge Cleaver, author of the controversial book "Soul on Ice," will be among the nationally-known speakers at the two-day meeting.

Others include Dr. Ken Underwood, former superintendent of schools in Kanawha County, W. Va., the center of a textbook censorship controversy in 1974, and Robert F. Hogan, executive secretary of the National Council of Teachers of English.

All sessions will be held in the Auditorium.

The program begins at 10:30 a.m. Jan. 14 with Hogan's address on "Censorship in the Public Schools: Who shall Decide?"

A panel discussion on "The Public Protest: The cause and Effect of Crusades Against Pornography and Obscenity in the Public Schools" will take place from 1:30 to 3 p.m. Panelists will be Ruth Mulholland, past president of the Florida PTA; Thomas Johnston, former Pinellas School Board member; Fred Rozelle, Seminole High School principal and Joanne Cogar, Lakeside High School teacher.

Friday's program will conclude with a discussion on "The View from the Top: The Role of the School Superintendent in Censorship Cases." Panelists will be Underwood and Pinellas Supt. Gus Sakkis. Their discussion will be moderated by Arizona State University Prof. Ken Donelson.

The sessions resume at 3:30 p.m. Jan. 15 with a panel on "Community Norms vs. Humanistic Content: The Clash of Values in Selecting Books and Materials for Public School Students." Panelists will be Elizabeth Stephens, director of library resources in Pinellas; Benny Martinez, instructional materials supervisor in Hilleborough; Donelson and USF Prof. Charles Weingartner.

Cleaver will speak at the final program at 7:30 p.m. In addition, he will attend a reception on the USF Tampa campus from 1 to 2:30 p.m. the same day in the University Center Ballroom. The reception will be open to the public.

USF professors Lawrence R. Broer and Herb Karl are directing the conference with a $12,284 grant from the Florida Endowment for the Humanities.

USF/ST. PETE SOFTBALL
by John Fox
The USF/St. Pete City League Softball team lost a tough game Thursday night, Jan. 7 to the Flamingo Erectors. The score was 8 to 3, but that doesn't really indicate how close the game was. The game was truly a defensive battle with two fine catches made by Tom Neuroter in left field. Jim Pucci was the pivotal player in a sparkling double play. The loss sets USF's record at 5 wins and 4 losses. Next game will be Jan 20th at 8:00 p.m. at North Shore park against Lincoln National Life. Everyone is invited to attend and root for the USF/St. Pete team.

CACTUS FLOWER

Review by John Fox

The Country Dinner Theatre is serving up an entertainment evening along with its buffet dinner. The play is "Cactus Flower" and its merits are many.

First, there is Miss Gale Storm as the very cool, efficient and then nervous and emotional Nurse Stephanie Dickinson. Miss Storm plays her part to the hilt with very good results.

Good performances are also turned in by Ron Knight, Bob Stroud and Pat Julian. Pat Julian as the sponging Harvey Greenfield has some fine moments, especially his verbal sparring with Miss Storm.

The real highlight other than Miss Storm is Casey Craig as Toni Simmons. She gives a top-flight performance, getting everything out of a scene that she can. Her portrayal as the overly curious and worried girlfriend is great. Her voice has just the right amount of cynicism to make her lines all that much better (funnier).

The only bad mark against the play, and one that is not its fault, is that it had to follow a fantastic performance of "Fiddler on the Roof." So in this reviewer's opinion, "Cactus Flower" is a very enjoyable play and one well worth the time to see.
