SUBSIDIZATION

cheap thrills...

Contact Student Activities Office, Bldg. B

It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education and the responsible use of leisure time is a goal toward which extracurricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

Each student who is taking the majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization. Proof of fee payment is required, usually a validated registration sheet. Please bring photo I.D. also.

Once a student has used up his subsidy, he must pay regular ticket prices, as do faculty and staff members. All USF persons are eligible to buy tickets at our PURCHASE PRICE, which is often considerably lower than the regular retail price. For example:

<table>
<thead>
<tr>
<th>SUNSET GOLF AND COUNTRY CLUB TICKETS...</th>
</tr>
</thead>
<tbody>
<tr>
<td>REGULAR COST</td>
</tr>
<tr>
<td>Up to $7.00</td>
</tr>
<tr>
<td>SUBSIDY PRICE</td>
</tr>
<tr>
<td>As low as $1.00 by using $2.00 of your subsidy. A student taking 7 hours (times 80¢ per hour) would have $5.60 subsidy.</td>
</tr>
</tbody>
</table>

Some other places, subsidized tickets may be purchased for include: Bayfront Center, Asolo Theatre in Sarasota, Country Dinner Playhouse.

Generally, the student must pay at least $1.00 per subsidized ticket.

MOVIE THEATRE TICKETS ARE AVAILABLE FOR $1.50 EACH, BUT MAY NOT BE PURCHASED BY SUBSIDIZATION.

LISTING OF TICKETS-ON-SALE is posted at the Activities Desk.
The Museum of Fine Arts has once again planned a summertime education program for adults similar to the popular "Design for Living" seminars held several years ago.

COLLECTORS/COLLECTIONS is a four-part seminar to be held on four consecutive Thursdays beginning July 7 in the Museum’s Marly Room. If you are a collector, would like to be one or just are interested in learning more about the fine art of collecting, the program promises to be both educational and entertaining. It is open to the public.

The schedule of topics and speakers includes the following:

July 7, 8:00 PM - Dr. Mark Sheppard will discuss "Collecting: When, What, Where, Why and How," followed by a question and answer period and coffee. Dr. Sheppard is a long-time art collector and patron of the Museum. He has served as a Museum trustee and currently is a member of the Museum’s Accessions Committee.

July 14, 10:15 AM - 12 Noon - "Art and Contemporary Design" by Ron Mason and "Contemporary Ceramics" by John Eckert. Mason, a St. Petersburg native, is former chairman of the St. Petersburg Arts Commission. He and his wife collect antiques, contemporary paintings and prints. Eckert, a well-known area ceramist, teaches at Eckerd College where he was graduated in 1971. He also has a Master of Fine Arts degree from Cranbrook Academy of Art.

July 21, 10:15 AM - 12 Noon - "Furniture: Antiques or Reproductions?" by hardi Deranian, ASID, and "Stained Glass" by Charles M. Harwood. Deranian, one of the leading interior designers in the area, is familiar with all periods of furniture. For several years he has worked closely with the Designers Showcase, sponsored annually by the St. Petersburg Symphony Guild. Harwood, a 1968 graduate of Eckerd College, has studied art in Europe. He presently is working in several media including wood, metal, ceramics, as well as in stained glass.

July 28, 10:15 AM - 12 Noon - Charles Saad will discuss "Oriental Rugs" and Mrs. Joan MeKeithen will speak about "Quilts and Fabrics." Saad, the third generation of his family in the oriental rug business, has had his own rug gallery in St. Petersburg since 1963. Several of his fine rugs currently are on display at the Museum. Mrs. McKeithen, a former chairman of the Museum Mart Boutique, has a long-standing interest in quilts and feels they represent a unique period in the history of American art.

She is presently experimenting with the silk-screening process on a variety of fabrics.

Tickets for the series of four programs are $7.00 for Museum members and $10.00 for non-members. They may be purchased in the Museum Education office prior to the first class on July 7. Office hours are 9:00 AM to 5:00 PM Monday through Friday. For more information call Angie Grady, Curator of Education at 823-3644.
