NEW INTERNS IN OFFICE

Sue Lutton, a graduate student from Florida State University in higher Education—Student Personnel Admin. is interning at USFSP in the Office of Student Affairs during Quarter IV. She is replacing Bill Mabile, last Quarter's intern.

She graduated from the University of Nebraska in 1971 with a double major in Psychology and Political Science. She enjoys any kind of travel, especially combining work with travel—she's spent a summer each in Yellowstone, San Francisco, England, and Keswick Park, Colorado. Sue also likes camping and mountain climbing, though she has not done much of the latter recently due to the dirth of mountains in Florida. Modern art is another area of interest—looking, not painting.

During her stay at USFSP, Sue is Director of the Day Camp. She is also involved in many projects as a student Handbook and Orientation. She will run the Office of Student Affairs while Mr. Wayne Hoffmann is on vacation during July.

After her degree, Sue plans to work in a university student activities program and then try something new—no life-time commitment to any one occupation. Her latest ambition is to learn to sail—on the USFSP boats 15.

Welcome to USFSP, Sue!
