"Goodbye," he said to the flower.

The flower coughed. "I have been silly," she said to him, at last. "I ask your forgiveness. Try to be happy..." He was surprised by this absence of reproaches.

...he did not understand this quiet sweetness. "You have decided to go, now, go. For you did not want him to see her crying. She was a proud flower."

LEAP YEAR LORE

from FARMER'S ALMANAC
Vol. 155 1972

Open season for bachelors is here again—it's another leap year! Part and parcel are strangely mingled in the history of leap year. This once-in-four-years proposal privilege for women is not merely an unofficial tradition, but it is based on actual legislation. It is said to have been started in Ireland by St. Patrick in the 5th century. It was passed by the Scottish Parliament in which "it is statute and ordain that for 22 leap years as well as 22 years, 22 of them mayn dey lady, of aith and low estat, shall have libertie to bespeke ye man she likes."

A few years later, a similar law was passed in France. . . . In England the custom had become a part of the common law by 1600, when the legal books defined it as then: "it is of late years both return, ye ladys have ye privilege of making love to ye men, which they doe either by words or looks, as to a thing seemeth proper."

In old England, a man who refused a leap year proposal had to pay a silk gown as a forfeit.

Leap years are a mathematical necessity. The extra division of one day which February Time pays us every four years is a device of the astronomers to keep our year in step with the sun and the seasons.

BETA ALPHA PSI

On Thursday, May 25, 1972, the Delta Gamma Chapter of USF initiated into the National Beta Alpha Psi Fraternity.

The fraternity was brought to USF through the efforts of Gene Hollis of the Tampa campus.

Bay campus students were made aware of the Charter membership opportunities by Mrs. Mary Benny, instructor in the College of Business. Present at the initiation banquet were all Bay campus members and their guests: Mr. Gene McClung (Honorary member) and wife, Mrs. Mary Benny, Mrs. Gail Clark, and husband, Mr. Ron Heiser, Mr. C. W. Williams, and Mr. Harold Moore.

Face to face, Mr. Nabil... we have enjoyed your presence! (sorry, no portrait)

FACE TO FACE

STUDENT AFFAIRS

May Care - Taken care of by looking at the budget.

New to Mackey - Mr. Luers suggested that we forget about sending the memo; therefore, he did.

Structure of Representation for 72-73 - Because of the time it was suggested that this be put up under one under old business for the next meeting.

Subscription - The subcommittee has investigated the use of the subscription for a filmstrip classroom and reported that it is already going to be tried.

New Bylaws - Winston Bridges made a motion that we forward a copy of the New Bylaws and Mr. Rolseth's report to Mr. Blakesle and Dean Tuttle. Lou seconded the motion and it was passed unanimously.

Laird Walker made a motion that the Student Affairs Committee support the end of the Viet Nam war but not that we support the Viet Cong themselves. The motion died for lack of a second.

The next meeting was set for Friday, June 2, 1972, 10:00 a.m. in the conference room.

Winston Bridges made a motion that the meeting be adjourned, Judy Wittlow seconded it, and the meeting was adjourned at 11:30 a.m.

SFCUA Diving Course For Quarter IV

May 29, 1972

MEMORANDUM TO: All Staff, Faculty, & Students, USF/SP

FROM: Wayne W. Hoffmann, Student Affairs

SUBJECT: SFCUA Diving Course For Quarter IV

The Student Affairs Office as part of its summer recreation program through continuing education will be offering a SFCUA Diving Course for Quarter IV.

The course will be offered two nights a week, Tuesday and Thursday, and will begin the second week of the Quarter. The course will run approximately six weeks, including the period for final check-out dives. Times for the course will be from 6:00 - 10:30 p.m. The USF/SP swimming pool will be utilized. The location for the classroom sessions will be announced later. (Note: This schedule is tentative; if there is any strong objection to the nights planned, changes can be made.)

The total cost for the course is $60 which includes instructor's fees plus a $15 equipment rental which covers the tank, regulator, back-pack and air. Tentative arrangements have been made with the equipment supplier include rebate of the $15 towards the purchase of the equipment plus a further discount on purchase of $15--total savings, $30. The student is asked to provide his own mask, fins, and snorkel.

Sign-up for the course will be at registration, Wednesday, May 31.

For further information, call Extension 210 or 219.
